The Cross will flower

The gifts from the Cross will flower were, at the last minute, refused by the Forestville Pregnancy Center because they lacked room to store them. They could have told us this weeks before, when they were asked what items they needed. We delivered them to St. Ann's Center for children. They were happy to receive them. This is part of their Thank you: Thank you for your May 2019 donation of 7 bags of baby gifts to St. Ann's Center for Children, Youth and Families. Since most of our resources go into direct services for the young mothers and children in our care, we are grateful to receive donations of useful items from our friends in the community. Thank you for being part of St. Ann's caring community and helping us make a positive difference in the lives of the young mothers, children and families here.
