BINGO

After many many years we have decided to cancel bingo. The immediate reason is that it doesn't make any money—and that is the point of bingo. For years bingo was good for this parish. My guess would be that bingo profits played a big part in building the Center.

We must remember and thank all the parishioners who worked week after week, year after year to make money for the good of the parish. We are indebted to those many workers who had the good of the parish as their priority.
