AROUND THE PARISH

UPDATED COVID-19 LITURGICAL GUIDELINES

The Archdiocese of Washington recently released updated Covid-19 liturgical guidelines. Liturgical celebrations no longer need to abide by capacity restrictions, which allows us to use all pews.
 -Social distancing of 3 feet is still required between individuals from separate households.
 -The use of masks while gathered indoors is not required for fully vaccinated individuals. Because unvaccinated children may be present at Mass, we strongly recommend that non-vaccinated individuals continue to wear masks.
 -The use of masks by ordinary and extraordinary ministers of Holy Communion is still required during distribution of the precious body. Distribution of the precious blood is still prohibited.
 -Holy Water stoups may be used, and hard copy printed liturgical materials may be used.
 -The opening procession, the offertory procession, and the closing recession can be resumed.
 -We will continue to avoid physical contact during the Lord's prayer and the sign of peace.
 -We will continue to have hand sanitizer and face masks available at the entrances to the church, and we will continue to clean and disinfect the church weekly.

Mass will continue to be celebrated on Sundays at 10:00 AM until further notice.

TREE DONATION

You may have noticed the 11 new trees on the church property. The trees were donated and planted by the Laudato Tree movement, a global initiative inspired by Pope Francis' encyclical letter "Laudato Si". The trees are a welcome enhancement to the parish and the surrounding community, and will continue to contribute to our environment for years to come. We thank the Laudato Si volunteers and Casey Trees.org for their generous gift of the trees.

THANK YOU

My heartfelt thanks to Sodality for the gift of the Stole in recognition of my 15th anniversary as a deacon. It has been an honor and a blessing to have been able to serve my church family. **Dcn. Mike Greenfield**
