**News from St. Mary School:** We've completed our 1st quarter of school! While very little is the same this year, our dedicated teachers remain steadfast in their commitment to provide the best in Catholic education to our students. Our students seem happy to be back in class, even with all the necessary Covid restrictions. Our third graders were able to make their First Communion a couple weeks ago. They had to wait for this very special day, but that made the reception all the more joyous! We welcome them to the table of the Lord and are excited they will now be able to participate with us in receiving the Eucharist at our weekly school Masses. As humans and Americans, we are not very good at patience. We want it our way, and we want it now. Covid has forced everyone to slow down, appreciate our blessings and really think about how our actions may affect others. We have all been taught this lesson; now we are learning how these lessons from the Gospels are lived. We're grateful for the opportunity to share and live these Gospel values with your children everyday.
