Dear St. Joseph's Religious Education family,

We hope everyone is doing good and is well during these challenging times in our world. We have all been put in a situation that has impacted almost every aspect of our lives. With the changing numbers daily with the virus, we feel it is best for our students, staff and families to have consistency and calmness with their faith formation and therefore will have virtual online Religious Education to start this fall for this first semester of the school year. We will discuss if we have regular classes for the second semester. We can look at this also as a positive opportunity to bring our families together in sharing our Catholic faith. Wednesday evenings will still be the religious night for our families. We will prepare everyone with links and passwords for the online course for your child's grade and any other material needed. There will also be lesson plans/activities each week for some grades and will communicate where they can be picked up. We will continue to do our very best to meet everyone's needs. We will communicate with all parents/guardians via texts, emails, meeting, facebook live. A calendar and syllabus will be mailed out before opening night with other important information. Please take time to complete the enclosed registration for your child/children and mail back, drop off at Parish Center or in the collection plate at Church as quickly as possible.

Opening night for Religious Education will be **Wednesday, October 7, 2020 via facebook video**

TIMES for Religious Education:

K-6th Grade – 5:30-6:30pm

7-12th Grade – 7:00-8:15pm

In the event of cancellation of RE classes, schools are notified, the radio is notified and it is posted in the FACEBOOK group St Joseph's Religious Education. Unfortunately we cannot contact everyone individually.

If you have any questions, concerns or obstacles that are keeping you from registering your children, please do not hesitate to call. We will be glad to help. You can reach us at the Religious Education office **701-662-5071** or send an email at stjoesre@gmail.com.

Blessing to all,

St. Joseph's Religious Education
