Have you and your spouse grown cold and distant from each other? Do you struggle to communicate or come together on common goals? Have past hurts built up walls of tension and distrust so big you question if they could ever come down? There is hope. Retrouvaille is an international, peer-run program that has helped hundreds of thousands of hurting married couples turn the tide, find new hope, and rediscover the love that initially brought them together. Surveys have shown that 3 out of 4 couples who complete the entire program are still married five years later with stronger, healthier marriages.
