## RCARTL National Life Chain

The Ramsey County Area Right to Life (RCARTL) will participate in the National Life Chain by sponsoring a local life chain event on Sunday, October 10<sup>th</sup>, from 2:00-3:00 pm at College Drive and 4<sup>th</sup> St W (adjacent to Roosevelt Park). This is a pro-life event held annually throughout the U.S. and Canada.

RCARTL encourages and welcomes anyone devoted to pro-life issues, especially promoting life for the unborn, to stand with us and thousands of others across our nation in this prayerful and peaceful public witness on behalf of abortion's many victims. Signs will be provided prior to the event for those that would like to wear one and participants are spaced 20-25 feet apart. Participants are permitted to bring a lawn chair if unable to stand for that length of time. Questions can be directed to Lynne at 701-230-2256.

## Stewardship Moment

*“So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name.” (GENESIS 2:19)*

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

## Retrouvaille: Help for Hurting Marriages

Have you and your spouse grown cold and distant from each other? Do you struggle to communicate or come together on common goals? Have past hurts built up walls of tension and distrust so big you question if they could ever come down? There is hope. Retrouvaille is an international, peer-run program that has helped hundreds of thousands of hurting married couples turn the tide, find new hope, and rediscover the love that initially brought them together. Surveys have shown that 3 out of 4 couples who complete the entire program are still married five years later with stronger, healthier marriages. Retrouvaille will be held locally October 22<sup>nd</sup>-24<sup>th</sup> in Fargo.
