

Established in 1985, the Immigration Department was one of the first non-profit organizations in the region to provide legal services and representation to the immigrant community, and it continues to be the only agency in the region recognized by the Board of Immigration Appeals to provide a broad range of immigration services to immigrants and their families throughout all 12 counties within the Diocese of Corpus Christi.

The Department also provides referrals for services outside of our specialty areas.

Education & Outreach

The Department is available for presentations to community groups and other interested organizations.

How To Obtain Services

Walk-in consultations for new clients only are available each Thursday, 9:00 am (sign-in 7:30 am)

A \$25.00 consultation fee is charged per consultation - cash or money order only. This fee includes a review for client eligibility and a discussion of "next steps" for the processing of the case.

Department legal fees to proceed with a case will vary according to a written fee schedule depending on the type of service needed.

Please Note: USCIS (government) fees are separate from legal fees; USCIS fee waivers are available for many processes upon individual qualification.
