

October 29, 2021

Dear Counting on Santa Friends,

We need help for the children that are “Counting on Santa” again this year to make their Christmas merry. With your generous assistance last year, over \$15,000 in toys was collected and distributed to children of the Coastal Bend and we thank you.

The 11th Annual “Counting on Santa” is also collecting toys for distribution to the area children. Cash contributions are also accepted to allow toy purchases for the older children that are often overlooked as it is easier to donate toys for younger children.

There are three easy ways to help and make your **tax deductible** contribution—

- 1) Here’s how to **DOUBLE** your donation!!! On November 9, online donations made on the Coastal Bend Day of Giving will be doubled subject to limitations.
Go to www.coastalbenddayofgiving.org. Select Catholic Charities of Corpus Christi, Inc. Designate “Counting on Santa”. **THIS IS IMPORTANT AS YOU NEED TO DESIGNATE THIS ACTIVITY.** Remember, it is NOVEMBER 9 -- so has easy is that?
- 2) Mail your donation using the slip enclosed to Diocese of Corpus Christi; Attn-Angie Ortiz; P. O. Box 2620; Corpus Christi, TX 78403-2620. Be sure to write “Counting on Santa” in the memo section of your check.
- 3) Go to www.catholiccharities-cc.org. Select the Giving tab and under the Online Giving area, use the dropdown to find “Counting on Santa” to designate your donation.

To allow the elves plenty of time to shop and gather toys for sorting and distribution to the area children, please make your donation by December 10, 2021. Note that of the above, only option 1) allows for our donation to be doubled, the other options will not be doubled.

Join us at Brewster’s Icehouse Downtown on Tuesday, December 14 from 5:00pm to 8:30pm to “round up” the collections of toys that our Coastal Bend area kids are “Counting on Santa” to receive. Thank you and may God bless.

“Counting on Santa” is sponsored by the Corpus Christi CPAs in partnership with Catholic Charities of Corpus Christi, Inc. which is a 501 (c) 3 organization.
