

St. Gerard Extended Child Care Schedule

2020/2021

Extended Care is child care that is provided when school is not in session for a full or half day. Extended days have not been factored into the monthly child care payment for school age children and, therefore, require an additional fee. **For preschool children, if an Extended Care Day falls on a day that he/she normally attends child care, the cost of care is covered under your payment plan (school day and full day schedules still apply on Extended Care Days). Extended Care Days prior to September 1 are not included in any payment plan, but those after the last day of preschool through June 10th are. Care is normally provided for 2-3 days during New Year's Eve week. We have opted to forego care during that week for this school year.**

Extended Care Days are scheduled and paid for through Smart Tuition: Full Day-\$30 Half Day-\$15

Scheduling Instructions (If scheduling multiple students, you must schedule each student separately):

1. Go to your Smart Tuition Account and then to the **Purchase Optional Items** tab. Make sure you are in the 2020-2021 account year.
2. Select your child(ren) from the drop down menu.
3. Select the care dates you need.
4. Click and accept the agreement in each area.
5. Pay the fee.

Dates MUST be submitted in Smart Tuition by the due dates listed. Dates scheduled after the deadline must be pre-approved. Pre-payment is required.
