

# St. Gerard Extended Child Care Schedule

# 2021/2022

**Extended Care** is child care that is provided when school is not in session for a full or half day. Extended Care days have not been factored into the monthly child care payment for school age children and, therefore, require an additional fee. **For preschool children, if an Extended Care Day falls on a day that he/she normally attends child care, the cost of care is covered under your payment plan (school day and full day schedules still apply on Extended Care Days). Extended Care Days prior to August 30 are not included in any payment plan, but those after the last day of preschool through June 9 are. Care provided during the 3 days that we are open during Christmas Break are only covered under the payment plan for children enrolled in a 5 day/week child care plan and children enrolled in the 4 Year Old Full Day Plus option. All others will need to schedule and pay through Smart Tuition.**

**Extended Care Days are scheduled and paid for through Smart Tuition: Full Day-\$30 Half Day-\$15**

**\*\*Half Day rate is only available for school-age children, and only when there is a half day of school.\*\***
