

Dear St. Anselm CYO Parents,

As of July 31, 2020 due to the ongoing COVID-19 pandemic the Archdiocese has decided to suspend all CYO sports until further notice. This currently affects Fall sports of soccer, volleyball and cheerleading programs. A decision on Winter sports (basketball) will be made closer to October. There is a chance that the soccer and volleyball programs could be moved to the Spring, but this is a fluid situation and things can change by the day.

I am sure this is not something anyone wanted to hear since we were all hoping to get back to a sense of normalcy, but this decision was made with the overall safety and well-being of the kids, parents and volunteers of the CYO program in mind. This was a difficult decision for the Archdiocese, but one that needed to be made.

If you have any questions, please feel free to contact me at AD@stanselmparish.com and I will do my best to reply to you in a timely manner.

I hope everyone enjoys the rest of summer and I will be sure to keep everyone updated with any important information that comes from the Archdiocese.

Stay safe and be well,

Joe White
