

12670 DUNKS FERRY ROAD • PHILADELPHIA, PA 19154-1425  
(215) 637-3525

The following COVID Protocols will be in effect beginning Tuesday, September 21. They will remain in effect until that protocol is no longer mandated by both the City of Philadelphia and the Archdiocese of Philadelphia.

- All students must have the COVID Waiver from the Archdiocese filled out before they are allowed to attend CCD.
- All desks will be sanitized before students enter for CCD.
- Upon arrival to St. Anselm's, students will have their temperature checked.
- All students and staff must wear a mask covering their mouth and nose.
- If any student feels ill, has been sent home from school that day due to illness, or is under quarantine, they must stay home.
- Any student dealing with frequent coughing or sneezing (even if due to allergies) must stay home.
- Any child who feels sick while at CCD will be sent home.
- Any child who does not have a mask or refuses to keep their mask on will be sent home.
- All students and staff must use the provided hand sanitizer every time they enter the classroom.
- Students may not share school supplies unless they live in the same household.
- Students will have assigned seats. They must stay in that same desk every week in the event contact tracing is needed.
- Students should do their best to stay 3 feet apart (head to head) at all times unless they live in the same household.
- To help with social distancing, students will be dismissed by different exits:
  - Level 1: "B" Door (side door to the school, as used in the past)
  - Level 2 & 3: "C" Door (door normally used for dismissal)
  - Level 4, 5, 6: "D" Door (school door closest to the church)

Since students will gather outside on the first week of CCD (September 21) and brought to their classrooms by their catechists (weather permitting), temperature checks will be done outside on that day. Starting the following week (September 28), we will use the following procedure:

- Those in the drop-off line are asked to roll down your window and allow your child to be checked before he/she leaves the car. Once cleared, they can then leave the car and enter the "C" Door, as usual.
- Those walking will enter through the "D" Door (school door closest to the church), where they will have their temperature checked. We ask parents to wait with their child until they are cleared.
