

ST MARK'S PARISH FALL SUPPER

DATE: SUNDAY SEPTEMBER 26, 2021

St. Mark's Parish Supper is an opportunity to promote parish fellowship and camaraderie during preparations and during the supper, and community fellowship as we serve others. Promoting this fellowship involves all of our parishioners; our children, families – husbands and wives, and our seniors/aging adults. We encourage all of our parishioners to participate in some way to share our faith.

Rationale for Proposed Changes:

1. Diminished resources to assist in the time-consuming planning and coordination efforts prior to event.
2. Set-up preparations prior to event; includes labor intensive work; and includes stairs
3. Last minute dependencies on delivery of food requested.
4. Dependent upon the same volunteers to help out last minute.
5. Labor-intensive efforts to acquire necessary volunteers prior to Sunday
6. Lack of commitments to bake and return turkeys and dressing at homes for Sunday event.
7. Cleanup after 7pm results in late nights and volunteer exhaustion.
8. Volunteers who are aging and/or have health issues.
9. Take out and delivered suppers are about 50% of orders; lessening the promotion of Community Fellowship
10. A year of momentum and tradition lost due to COVID-19.
