Gospel

Luke 10:1-12, 17-20

At that time the Lord appointed seventy-two others whom he sent ahead of him in pairs to every town and place he intended to visit. He said to them, "The harvest is abundant but the laborers are few; so ask the master of the harvest to send out laborers for his harvest. Go on your way; behold, I am sending you like lambs among wolves. Carry no money bag, no sack, no sandals; and greet no one along the way. Into whatever house you enter, first say, 'Peace to this household.' If a peaceful person lives there, your peace will rest on him; but if not, it will return to you. Stay in the same house and eat and drink what is offered to you, for the laborer deserves his payment. Do not move about from one house to another. Whatever town you enter and they welcome you, eat what is set before you, cure the sick in it and say to them, 'The kingdom of God is at hand for you.' Whatever town you enter and they do not receive you, go out into the streets and say, 'The dust of your town that clings to our feet, even that we shake off against you.' Yet know this: the kingdom of God is at hand. I tell you, it will be more tolerable for Sodom on that day than for that town."

The seventy-two returned rejoicing, and said, "Lord, even the demons are subject to us because of your name." Jesus said, "I have observed Satan fall like lightning from the sky. Behold, I have given you the power to 'tread upon serpents' and scorpions and upon the full force of the enemy and nothing will harm you. Nevertheless, do not rejoice because the spirits are subject to you, but rejoice because your names are written in heaven."

Great Changes are coming to your Parish Church!

Over the next few weeks you will see some wonderful changes begin to occur in your Church.

- You will see the ventilators at the bottom of the stained-glass windows disappear! They are being removed and repaired so they will open and close like they should. They will be re-installed in late August.
- Many of you have noticed that the plaster on the wall behind the choir loft has been deteriorating because of extensive water damage. In mid-July a project of repairing the mortar between the bricks on the front of the Church will begin. Over the years since the Church was built, in 1926, that mortar has deteriorated and is allowing rain water to come through the wall. This project will require material and equipment to be positioned at the front of the building. Please be careful in that area while this project is underway.
- Another wonderful project that will begin within the next few weeks is the restoration of the beautiful Stations of the Cross. This project will take many months to complete. The pictures will be removed a few at a time. They will be cleaned, restored, and reinstalled.

Your understanding, patience and consideration of these projects is appreciated. More information will be coming as the projects occur.

God bless you all!

Fr Pablo Bonello
