

Parent/Guardian Agreement

“The family, so to speak, is the domestic church.” (Lumen Gentium #11)

I/We, _____, the parent(s)/guardian(s) of _____,

recognize the importance of faith formation in the lives of my/our children, and that I/we, as primary educators of my/our children, have a moral obligation to raise them up in the faith. Attending Mass, both weekly and on Holy Days of Obligation, praying daily, and participating in faith formation are essential components of raising children in the Catholic Faith. It is essential to help ensure our children receive every available grace from the Lord, and that the receiving of Sacraments can be efficacious.

I/We understand that the Pastor, at his sole discretion, may determine it be necessary to meet with him or the Coordinator of Faith Formation to ensure that children are receiving the necessary formation of faith to be of proper disposition to receive Sacraments.

If I/we have a family circumstance which prevents us from accessing formal faith formation, I/we commit to reaching out to the Coordinator of Faith Formation or Pastor to meet to receive assistance.
