How Will Your Family Celebrate Christmas?

On the front page of this week's **The Compass** is an article about Planning for Religious Christmas at Home. If you are not able to go to church with your family this Christmas, how will you prepare your home to welcome Jesus? This edition also includes the "Family Life" section with heart-warming articles about baking together, grandparents sharing family stories, and more.

Advent Calendar

The season of Advent begins Sunday, November 29. Enclosed in this week's family envelope is an Advent Calendar. It contains great daily ideas of ways to prepare as we wait for Jesus Christ to bring light to us and into the darkness of this world.
