

Sailing Concert program 2020

As of now this is a list of what we might do for the concert. Songs may be switched around or eliminated depending on practice times. Scroll down to the end of the second page. Then, scroll down to your class and the internet selections will be listed by the name of each class's songs. They will be listed on the music class website. Some songs have many different versions. You may then listen to the other class's songs also.

Go ahead and take a sailing trip!!!!
