## From the Brown County Library

Parents/guardians are asked to make alternative plans for any students who might usually go to a Brown County Library (BCL) location (Central Library and any branch library) after school to hang out or wait to be picked up. Due to COVID-19, BCL buildings are open for “in and out” browsing and checkout, but unfortunately, not for other purposes such as sitting, waiting, studying, meeting or socializing.

- ✓ Library open hours have been reduced, with limits on the number of people inside at one time.
- ✓ Library computers and printers are available by reservation only (with library card or free guest pass).

Library staff are eager to help parents and students apply for library cards, place holds and get library books and items ready for quick pickup.

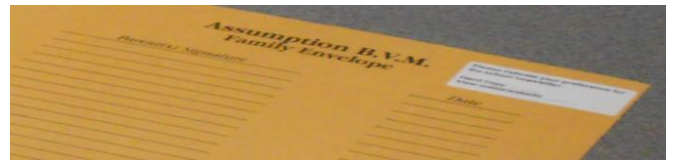

Contactless pickup can be arranged for those who prefer not to enter buildings. Call your branch library or the Central Library Youth Services Department at 920-448-5846 with questions or requests. Check for up-to-date information on library services related to COVID at [www.browncountylibrary.org](http://www.browncountylibrary.org).
