

Instrumental Music

Consultant: Ms. Nicole D'Angelo
Grades 3-8

Instrumental music is a fun, challenging and positive experience designed to help develop mental, physical and musical skills to last a lifetime. Students are encouraged to pick an instrument that sounds beautiful to them! Choices include the flute, clarinet, alto saxophone, trumpet, trombone, percussion, violin, viola, cello or piano. Third Grade students can choose recorder, violin or piano. Students are encouraged to try several instruments at the music store before making a selection. Instruments are rented by the student's family from the music store.

Ms. D'Angelo is an independent teacher. For scheduling, frequency and pricing, please contact her at: ndangelo@academyofsttherese.com.
