

Theater Weeks

Coordinator: Ms. Sharla Toups
Grades 2 - 8

Each Spring, the Academy of St. Therese offers an intensive theater experience under the direction of Ms. Toups and Ms. Minetti. This HSA sponsored program invites 2nd-8th graders to participate in a one of a kind theatrical production put together in just 8 after-school rehearsals. Students are given the opportunity to act, sing, dance, create sets and even contribute to the script! Our goal is to give each child the confidence and experience to shine on stage and beyond. Join us!

Our 2020 Spring Theater Workshop will run from March 16th through March 26th, with in-school and evening performances on Thursday, March 26th. For more information, you may contact Ms. Sharla Toups at stoups@academyofsttherese.com
