Dear Men of Nativity,

On behalf of the Nativity of Our Lord Men's Club, I would like to welcome all men of the Parish to the Nativity Men's Club (NMC). All men of Nativity Parish are automatically members of the NMC. The 2019-20 NMC Board of Directors is excited about this year. Our goals are to advance fellowship and camaraderie for the Parish, support programs for the youth of the Nativity Parish, and provide grants and scholarships for the Nativity Parish and School.

The NMC is led by a Board of Directors who manage our many events as well as the financial resources that come through the gracious support of our parishioners and neighbors. At the end of each fiscal year, we donate our proceeds back to the Nativity School, Early Learning Center, and Parish programs and scholarship funds.

We are fortunate to be a part of our strong Parish and School community, and we invite you to join with the NMC in participating in our service and fellowship this year. As you can see from our enclosed flyer, there are many activities throughout the year in which to be involved. I invite you to check out the many events on our website ([nativitymen.org](http://nativitymen.org)) and Facebook page ([facebook.com/nativitymen](https://facebook.com/nativitymen)) and to attend any of our monthly meetings, typically held the second Thursday of each month. Please join us!

Please find enclosed our annual request for our Men's Club annual dues, which helps support our many events and fundraising activities. You can mail in your dues to the Parish office, pay online at [nativitymen.org/dues](http://nativitymen.org/dues), or drop the dues envelope into the collection plate at an upcoming Mass.

Our next exciting event is our **40<sup>th</sup> annual "Sports Shirt Stag" to be held on Friday, January 10, 2020** at 6pm at Nativity School, where our speaker will be former Minnesota Twins player Joe Mauer. Please join us. We ask that you RSVP when submitting your annual dues payment.
