Dear St. Mary Magdalen School family,

The St. Mary Magdalen School Board, in consultation with the principal and pastor, has a duty to develop the plans and the means to secure the financial future of the school. These duties include creating and monitoring a school budget and adjusting tuition and fees as needed.

The Board, as a result of an extensive budgeting process, has approved the attached Tuition and Fee schedule for the 2019-2020 school year. This schedule reflects increases to various degrees depending upon the grade level, number of students, and parishioner or non-parishioner family status. In setting these rates, the Board attempted to carefully balance the investment required by parents with the need to adequately sustain the financial stability of the School.

St. Mary Magdalen School, in partnership with parents, parish, and community, seeks to nurture, develop, and educate the whole child by faithfully carrying out the example of Christ through education, service and worship. To accomplish this mission requires a commitment to sound financial management. Thank you for partnering with us to provide the highest quality Catholic educational experience possible for your children.
