

## **Blizzard Pack**

Dr. Lou D'Angelo, Superintendent of Catholic Schools, has stated that we will not be making up any snow days missed for the school year (2020-2021). In place of these potentially missed school days, teachers were asked to make up a packet of school work for students to complete on a snow day. There is a Math and Language Arts page for each missed school day. For example, if we miss one day of school, then students would do all Day 1 work. There is enough work in this packet for 5 days of Math and Language Arts.

Please return your child's work within one week of each missed snow day.

Thank you!

Mrs. Lagasse

Mrs. Susco

Ms. Spadaro
