

Get Involved! Volunteer to be a Homeroom Parent

If you are interested in serving as your child's homeroom parent for the **2020-2021 school year**, please use this link to sign-up via Sign-Up-Genius:

<https://www.signupgenius.com/go/10c0c48a4a72aa3f85-homeroom>

The responsibilities of a homeroom parent include:

- working with the classroom teacher to plan classroom activities
- using Sign-Up-Genius to obtain volunteers and needed supplies
- forwarding school emails
- reminding parents of carpool duty
- purchasing teacher gifts from collected funds
- managing classroom funds

Two parents are assigned to each classroom, so the duties are shared.

The deadline to sign-up is July 31. Please be sure to indicate which grade levels you are interested in working in order of preference, as parents are typically assigned to one classroom only. Homeroom parents will be assigned in August. All efforts are made to make sure that everyone is allowed a turn to serve as a room parent.

Thank you for your consideration!
