2. PRAY

In the Gospel we hear about the smallest seed producing much fruit.

For your prayer today we invite you to gather in your prayer space, wherever that may be (e.g. garden, prayer table, outside). In the past year or several months look for areas in your personal, academic, professional life where you have grown. In your own words, give thanks to God for all of it. Remember that growth happens through all experiences of your life.

Share with us how you are living out your faith at home. Use #LACatholicsBelieve and tag @LACatholics on social media.

Take a small piece of paper on which you can write where you want to continue growing. Place the paper in a jar, cup or bowl and offer a prayer asking God to help you foster what you wrote down.

3. TALK

With those in your home or with a friend, choose a question from below and share with one another:

- In this last week, where have you witnessed growth?
- Was it challenging to think of where you have grown? Why?
- How has your father planted the seeds for your growth? Today we celebrate Father's Day in the United States. [Click here](#) to learn more about the year of St. Joseph.
