

DOLORES MISSION SCHOOL

WEEKLY BULLETIN

MARCH 18, 2020

Dear Parents,

I hope this finds you safe and healthy. Our prayers go out to everyone in this extremely challenging time. We would like to thank you so much for all that you are doing for your families. Truly, no one signed up for this, but we are working hard to do our best with it.

I am deeply grateful for the commitment of the instructional staff to offering quality instruction to our children. We have been working hard to shift the framework of instruction from the physical classroom to your home.

Please rest assured that our staff will continue to prioritize solutions, sharing resources and multiple modes of communication. Please also know that you can continue to communicate to teachers and myself through class dojo or email during regular school hours. The front office is closed but you can still call during regular hours.

If you are not yet on remind 101, please text @dolo to (754) 333-6472.

Additional avenues for communication include the school website: doloresmissionschool.org. There is a page dedicated to distance learning information. There is also a link to updates from the Archdiocese with regard to Covid-19. While we do not have further information about closures just yet, we will keep you posted when we hear further information.

In the meantime, please feel free to dojo message or email me at mjara@dolores-mission.org if you have any questions or concerns.

Blessings,
Miss Jara

COVID-19

The department of health is providing updates online at cdph.ca.gov/covid19. Try to keep a 6ft distance from others. "So much of protecting yourself and your family comes down to:

- Washing hands with soap and water.
- Clean and disinfect frequently touched surfaces daily. If surfaces are dirty, clean them using detergent or soap and water prior to disinfection.
- Avoiding touching eyes, nose or mouth with unwashed hands.
- Cover your cough or sneeze with a tissue or your elbow.
- Avoiding close contact with people who are sick.
- Staying away from work, school or other people if you become sick with respiratory symptoms like fever and cough.
- Following guidance from public health officials.

Please consult with your health care provider about additional steps you may be able to take to protect yourself." If you have fever coughing or shortness of breath consult a doctor.

CEF & TAXES

In preparation for CEF we ask that all parents please ensure that their 2018 taxes are readily accessible. Mrs. Moreno will send information regarding notarized letters shortly.

STUDENT ENGAGEMENT

Teachers are monitoring student participation and engagement on Actively Learn and individual portfolio's Class Dojo. Tomorrow students in 3-8th grades should have access to their Science portal on science days. Log in information will be emailed individually to students on their Achieve 3000 account.

COUNSELING

Our art therapist will continue to maintain contact with students via telephone. Outreach Concern continues to offer their **Crisis hotline** at 1-800-4-CONCERN (for students). For **Family support please call 211** from your phone.

VENTAS & CENAS

Our ventas are currently postponed until further notice. Formal cenas for the rest of the year are cancelled we will work on a revised assignment for the classes that have not completed their cena.

NEW STUDENT TESTING

We will not host new student testing on March 27th. While we are still enrolling students for the fall of 2020, we are working on an alternate measure for entry assessments.

GRAB AND GO MEALS

LAUSD is required to provide meals to students during this time. Please check the link for information on distribution centers: <https://achieve.lausd.net/domain/4>

"Sometimes when you're in a dark place you think you've been buried, but actually, you've been planted."

-Christine Caine
