Collect Prayer

15TH Sunday in Ordinary Time

O God, who show the light of your truth to those who go astray, so that they may return to the right path, give all who for the faith they profess are accounted Christians the grace to reject whatever is contrary to the name of Christ and to strive after all that does it honor. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, for ever and ever. Amen.

Did You Know?

What constitutes a concern worth reporting?

Parents have a responsibility to report concerns they have about another person's behaviors or actions that could put their children — or any children — at risk. These concerns are anything that makes the parent uneasy or uncomfortable, or anything that a child reports made them feel uneasy or uncomfortable. Some examples of seemingly little things that can be worth reporting include: A teacher covering her glass classroom door with artwork, eliminating the ability to see into the classroom from the hall; a youth ministry icebreaker activity, where teens have to pass a mint candy from person to person using only toothpicks in their mouth, despite the discomfort of some participants.
