

WELCOME THE GOOD NEWS

A WONDERFUL PLACE

Living the Good News
5th Sunday of Easter - A

Jesus says, "This is what heaven will be like: a wonderful house with many, many rooms. There will be room for each one of you to live with God."

"Jesus, this is too hard for us to understand," say the friends of Jesus. "How can we go there? How can we live with God?"

"Just trust in me," says Jesus. "I am the way to God. I will come to take you to God myself."

What wonderful house can you draw?

Cut along the edges of the bookmark.
Fold on the dotted line. Glue the edges together
to finish your bookmark.

Some families have no home. One 9-year-old who has no home says, “When you don’t have a home, you feel like nothing.”

How can your family help families without homes?

- Ask Habitat for Humanity. They help many families build their own homes.

- Ask your pastor: how can we help families without homes in our town?
- Collect books and toys in good shape. Give them to people in your town who help the homeless.
