

**Dear families,**

As we face these unprecedented times, we at St. Clare of Montefalco School want to provide you with as many resources as possible. The following links were sent to me from the Archdiocese of Detroit. Any young person 18 or younger may receive meals at the locations listed below. Other very good information is also included in these links.

May you remain safe,  
Ms. Ann K. Crowley  
Principal

The list of DPSCD sites doing this with added info can be found here:
