# ST. JOHN'S, CLONMEL

## PRAYER OF SPIRITUAL COMMUNION

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

## CONSIDER A BRICK...

On its own, a brick doesn't really serve much purpose. With other bricks, a single brick can be part of something amazing: a sturdy wall, a decorative walkway, or an elaborate castle! Bricks are simply more functional in community than they are in isolation. In today's reading from the first letter of Peter, he calls you and I into a similar community. He says, "like living stones, let yourselves be built into a spiritual house to be a holy priesthood to offer spiritual sacrifices..." Like bricks, disciples are made to work together. The church is not a simply a building, it made up of "living stones" with Jesus Christ as the Cornerstone! We have been living in isolation for many weeks now, making most of us quite aware of the need for our spiritual community. One day soon we are going to be reunited with those people, but don't miss the opportunity to connect right now! Pick up the phone! Write a letter! Pray for one another! Be creative in your discipleship, and seek out work that glorifies God!

## HOLY FATHER'S MAY PRAYER INTENTION

We pray that deacons, faithful in their service to the Word and the poor, may be an invigorating symbol for the entire Church.

## MAY 10: ST. ANTONINUS

Antoninus wanted to become a priest even as a young boy. When he was 15 years old he asked his parish priest if he could join the Dominican Order. Since he was so young and not very healthy, the priest told him that he had to learn the Canon law of the Church first. The Canon law of the Church is very complicated and hundreds of pages long, but Antoninus was determined to become a priest. One year later Antoninus returned to his parish priest with the Canon Law memorized. Amazed by Antoninus' desire to be a priest, he allowed him to join at 16 years old. Fr. Antoninus was such a good priest and he was given many important jobs to do: he became Bishop of the Dominicans, he had the gift of healing people, he was a teacher of the faith and was also made the Archbishop of Florence, Italy. He was also called "The father of the Poor" because he always helped those in need. He would give whatever he had, even his clothes, shoes, furniture and his only mule. He gave his mule away many times to poor people and rich people kept buying it back for him, so he would keep giving it away to whoever needed it.
