**JULY 5: ST. ANTHONY MARY ZACCARIA**

Anthony's dad died when he was very little, so growing up it was just him and his mom and they were very close. Anthony loved helping people that were sick and poor and so his mother thought that he would make a good doctor. Anthony became a doctor and started helping lots of people. Even though Anthony liked being a doctor and helping people, he loved God so much that he wanted to be a priest. After becoming a priest, he still kept helping people and he started an order of priests called the Clerks Regular of St. Paul. He also started an order of sisters called the Angelics of St. Paul. Anthony loved St. Paul and studied the letters that he wrote a lot because they brought him closer to God. He and his priests taught people about the teachings in Paul's letters in simple ways so that they could understand and grow closer to God. Anthony got sick while spreading the Good News of God to many people; he never stopped sharing about how much God loves us.

**HOLY FATHER'S JULY PRAYER INTENTION**

We pray that today's families may be accompanied with love, respect and guidance.

**WITHOUT A DOUBT...**

discipleship is an incredibly active duty. Because of this, we can easily get caught up in the idea that we must constantly be working and that it is up to us alone to make our mission successful. WRONG. First of all, remember you are empowered by the Holy Spirit to do God's work — the success of the work is not up to you alone. Second, sometimes it is necessary to slow down and let God take over. Jesus says: "Take my yoke upon you and learn from me...For my yoke is easy, and my burden light." These times of pandemic and social unrest can be quite tiring for the missionary disciples who are still trying to spread the Good News. Sometimes we need to rest and recharge and let Jesus show us the most effective way to do the work of His Father. Spending regular time in quiet prayer will allow you to discern your next steps!

**PRAYER OF SPIRITUAL COMMUNION**

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

**BLOOD DRIVE VOLUNTEERS NEEDED**

We are in need of 2 volunteers for the upcoming blood drive. One will be responsible for taking the temperatures of everyone while the other works the registration table. If you are able to help, please contact the office.

**SACRISTANS NEEDED**

As you can see from the minister schedules the past few weeks, we are in urgent need of sacristans for both the 8am & 10:30am Masses on Sundays. Please contact Lynn Robertson if you are able to help.

**BLOOD DRIVE – CLONMEL HALL**

St. John's will be hosting another blood drive on July 19th starting at 9:00 am at Clonmel Hall. Right now, the Red Cross is offering COVID-19 antibodies tests to anyone who donates. There is a signup sheet in the back of church or you can call the Church office to sign up for a time to donate.

**BREWING THE FAITH IS BACK!**

Do you have lingering spiritual questions? Or wonder about Catholic doctrine? St. John's will be hosting an ongoing event called Brewing the Faith on Friday evenings in July, an opportunity to have your questions about the faith answered and have a little fun! Brewing the Faith starts on Friday, July 10 at 7:00 pm and continues each week of July. We will meet in front of the rectory under the big shade trees - bring a lawn chair and beverage of your choice. Each week we'll discuss a different topic based on questions submitted in the wooden box at the back of church or through the website. All ages and faith backgrounds are welcome, with the opportunity for kids to play during the event - invite your friends, and neighbors!

**A SPECIAL THANK YOU**

Donnie Lies Jr. would like to extend a thank you to his Clonmel family who have helped take care of Marilyn the last few weeks. A special thank you to Randy Blasi who helped coordinate it all. Donnie said, "If I was ever in a foxhole with bullets flying over my head, I'd want Randy by my side!"

**CHILDREN'S HOSPITAL ACTIVITY PACK DRIVE**

Donations for activity packs to be delivered to children at Wesley Children's Hospital are being collected in the back of church. The drive will run from July 6-August 6. A list of requested supplies can be found on the bulletin board or on the drop box. There will also be help needed to assemble packs. Contact Grayce Berntsen at 584-3537.

**DEAR CLONMELIANS,**

Happy Independence Day! My prayer for each of you this July 4th weekend is to grow personally closer with the Lord so that we may know our goodness and be able to recognize the goodness of others. There is an abundance of divisiveness in our country; in politics, in religion, and in how to respond to COVID-19. We can pray for a deeper sense of community and communion among one another, however without drawing closer to Jesus and recognizing His love for you and for others our efforts of community become skewed by the influences of our world.

**Wearing masks**

Following the guidance of the governor's order for wearing masks, I have asked our office staff to wear masks while in the parish office. You are also encouraged to wear masks while in the office and when attending Mass. I recommend wearing masks as a way to participate in the goal of limiting the spread of the virus while also allowing for our economy and culture to continue to operate. While some may find it an inconvenience, others will be more comfortable. It's a sacrifice I am personally willing to make and I encourage you to prayerfully consider.

**Patriotic Rosary and Concert (last Sunday)**

Last Sunday we held our Patriotic Rosary and Concert in the back yard of the rectory (due to wind). 55 people participated in praying for the needs of our country and enjoying the patriotic music provided by Acclaim (our parish brass ensemble) and our parish musicians (Janis Pauly and A.J. Ritter).

**Altar Server Installation and Training**

Wednesday evening 3 altar servers were fully installed into their ministry following a time of apprenticeship. Gabe Brunke, Vincent Allmond, and Edward Smith received their blessed surplice and a blessing to strengthen them in their faith and commitment to serving at the Lord's altar, in the parish community, and in the universal Church. Be sure to congratulate them on their installation.

Boys who made their first communion a few weeks ago are now eligible and invited (as well as any other young men 3rd grade and up) to join the ranks of our altar servers. If interested please contact the parish office and we will set up a training schedule.

**Mass Counts**

COVID-19 forced us into adopting several new approaches to attending Mass. We are required to count those attending Mass so as to limit our numbers to 1/3 capacity. This has become a blessing as it is providing us a more accurate number of those attending each Sunday. We plan to continue counting attendance at each Sunday Mass even after the COVID pandemic is over. Many thanks to the ushers who help with this task. These counts will give us accurate numbers for our Annual Report of the parish.

Fr. Joe
