AUGUST 16: ST. STEPHEN THE GREAT

Stephen was named Vajk when he was born. His father was a Prince of Hungary. When his father and mother became Christians, they also had Vajk baptized, and they gave him the baptized name of Stephen, after the first martyr of the Church. When Stephen's father died, he took over as leader of the Hungarian people. He fought many battles to spread Christianity throughout the land and to gain more land for Hungary. Since he showed how strong and good of a leader he could be, Pope Sylvester made him the first King of Hungary in the year 1000. He was a good King and took very good care of his people; he built many new Churches and he helped the poor in his country as much as he could.

HOLY FATHER'S AUGUST PRAYER INTENTION

We pray for all those who work and live from the sea, among them sailors, fishermen and their families.

MORE THAN WHAT WE KNOW

We can learn much from the Canaanite woman in today's Gospel. She was not Jewish, and therefore, not necessarily the "intended audience" for Jesus' mission here on Earth, yet she displayed great faith and provided a beautiful example of trusting discipleship. She is not educated or trained in proper Jewish worship, yet she recognizes Jesus as Lord and persists in asking that He heal her daughter. She proves that discipleship is so much more than WHAT we know; it springs from the heart, not from the brain. As missionary disciples, it is essential that we learn our faith to the best of our ability, but it only matters if we also LIVE our faith to the best of our ability. Take your prayers to God, be persistent in your faith, and trust Him to work miracles!

PRAYER OF SPIRITUAL COMMUNION

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

Dear Clonmelians,

I would like to thank all who have taken the time to watch the virtual Town-Hall presentation and have responded with your feedback. We asked to receive your feedback by August 15th, however feedback will continue to be accepted as you are able to get them in.

Last Monday the building committee met and reviewed all feedback that had been presented by that date. Each member of the committee receives a copy of all feedback forms to review. It's valuable information for our discussions and planning, and contributes to our decision-making.

Please remember that the work of the building committee is one of planning and proposal. The work they do is meant to be representative of your wishes, needs, and desires for the future of our parish. It is important that you speak with them about your ideas, questions, and concerns. They are available to you and are eager to receive your input. Once the committee reaches consensus at different stages of the project that information is provided to you for your feedback. I encourage those who have not yet had the opportunity to watch and virtual town-hall meeting or to submit their feedback to do so.

Mass Counts

This past weekend our numbers went up. We had...

46 at the 5:30 vigil Mass,

118 at the 8:00 AM Mass,

90 at the 10:30 AM Mass.

It is my intention to provide you these numbers as a way of advising when you might feel most comfortable attending. Please note that we keep the parish center open with our live feed broadcast running during EVERY Weekend Mass. Even if the church is not at capacity, you are welcome to watch Mass from the parish center where communion will be provided. Feeling safe about attending Mass is a priority.

KAPAUNS MEN: INTO THE BREACH

Kapaun's Men started up again on Saturday, August 1st and will meet every other week through the fall studying "Into the Breach". Breakfast is provided each session at 6:00am and the program of study is from 6:30-7:30am.

Into the Breach is a video series from the Knights of Columbus that seeks to answer what it means to be a Catholic man in today's world. Inspired by Bishop Thomas J. Olmsted's apostolic exhortation to Catholic men, Into the Breach tells men they are made for greatness and challenges them to achieve it by founding their lives on God and pursuing heroic virtue. Each episode explores a different aspect of authentic Catholic masculinity and features well-known Catholic speakers like Dr. Scott Hahn, Fr. Mike Schmitz, Jason Evert and many others.
