OCTOBER 11: ST. MARIA SOLEDAD

Maria Soledad was named Vibiana when she was born to farming parents. She had 4 brother and sisters. She loved Jesus and His mother Mary from the time that she was a little girl. She used to organize processions for Mary with all the kids in her neighborhood. When she grew up, she would visit the lonely and sick people in her community, sharing her faith and her joy. She wanted to join a convent and heard that Fr. Michael, a priest in her city of Madrid, was starting an Order of sisters and was looking for girls to join. The Order would be devoted to helping the sick who could not afford to go to hospitals. Fr. Michael accepted her and she joined the new Order, taking the name Maria Soledad. Fr. Michael asked her to lead the new Order of Sisters and she worked hard to take care of the sick, as well as the sisters in the Order. They became known as the Handmaids of Mary Serving the Sick. The sisters were very poor and they didn't always have much to eat, but they spent their time caring for the sick and praying and, slowly, their Order grew and spread all over Europe and in Latin America. After 35 years of serving the sick and leading the

Handmaids of Mary, Maria Soledad became sick and died on October 11, 1887. Five years after she died, they wanted to move her tomb to the Chapel; when they opened up her casket, they realized that her body had not decayed like normal. All who were there could smell a beautiful smell coming from her body. In a few years her body did decay, and they buried her bones in the Chapel.

HOLY FATHER'S OCTOBER PRAYER INTENTION

We pray that by the virtue of baptism, the laity, especially women, may participate more in areas of responsibility in the Church.

WILL YOU ACCEPT THE INVITATION

In today's readings we find an invitation to a grand event. This feast includes only the richest food and the purest wines. The banquet is prepared, and a seat has been reserved for you! The question is, will you accept the invitation? In the parable, we learn that the people who were invited to the feast were too busy to show up. Sadly, this could be you or I on any given day! The challenge of these readings is this: slow down and, in gratitude, accept the invitation to the banquet of the Lord! He has so much joy in store for you, and He wants nothing more than to share it with you! Stewardship does not require you to give up all that you enjoy, but it does require you to quiet your soul enough to hear and answer the gentle invitation of Jesus.

WALKING WITH PURPOSE: STARTING THIS WEEK!

It's that time again, Ladies! Time for us to get together and grow our relationship with each other and with the Lord. This year WWP will be hosting a 12-session Bible study, "Grounded in Hope," based off the book of Hebrews, starting Monday, October 12th from 7-8:30pm. There is no cost for this program although we do ask each participant to purchase your book online. Childcare is available during the Bible study! Register on our website or stop by the office for a registration form.

Now is the day of salvation." Why wait until later? Now is the time. Join us for our next workshop:

KNIGHTS OF COLUMBUS COAT DRIVE

The Knights of Columbus are holding their annual coat drive throughout the month of October. In the past, our parish has been very generous to this drive and we have kept many needy people warm each winter through this generosity. Please comb through your closets and bring any clean coats you no longer wear to the collection box in the back of church. Your gifts will be appreciated.

PRAYER FOR THE BAPTISM OF ABORTED BABIES

Heavenly Father, Your love is eternal. In Your ocean of love, You saved the world through Your only begotten Son, Jesus Christ. Now look at Your only Son on the Cross Who is constantly bleeding for love of His people, and forgive Your world. Purify and baptize aborted children with the Precious Blood and water from the Sacred Side of Your Son, Jesus Christ, Who hung dead on the Cross for their salvation; in the Name of the Father, and of the Son, and of the Holy Spirit. May they, through the holy death of Jesus Christ, gain everlasting life, through His wounds be healed and through His Precious Blood be freed. There to rejoice with the saints in heaven. Amen.

OCTOBER IS DOMESTIC VIOLENCE AWARENESS MONTH

Domestic violence happens every day in our community. It occurs at the same in rate in all socio-economic groups, races and faiths. No one deserves to be abused by someone close to them. If you are being physically, emotionally or sexually abused by your partner, Harbor House can help. Our advocates can help you with safety planning, counseling and legal orders. Hope and help is available 24/7 by calling (316) 263-6000. To support Harbor House Domestic Violence Shelter and its outreach programs, visit give.CatholicCharitiesWichita.org.

KNIGHTS OF COLUMBUS TRAP SHOOT

The 61st annual Trap Shoot will be held November 1, in Clonmel. This is a family event. The food is fantastic and reasonable priced. Bring your family, and invite some friends. If the trap shoot should get cancelled KofC will still be having their Gun-a-Week raffle drawing. So be sure to get your raffle tickets purchased. The drawing back up date will be Nov 12, 2020.

DEAR CLONMELIANS,

This weekend I encourage everyone to attend one of our parish town-hall meetings regarding the building project. At these meetings the Building Committee will walk you through the process they have worked through over the past year and a half. That process included determining how to address the needs of the parish and the development of our Master Plan for the parish campus. The Building Committee will present to you the first draft of our new church layout along with full-color exterior architectural renderings of the new church and offices.

These town-hall meetings are also the place to express your concerns moving forward. I have spoken to some who have expressed their concern about how we will pay for such a large project. That is a legitimate concern that will be addressed. As we move forward, we will be utilizing the services of a firm to determine how much we will be able to raise. That assists the Building Committee in determining if the current proposal needs to be amended, scaled back, or to proceed while leaving particular elements of the design for a later project.

Projects of this magnitude can be frightening and stressful. They can also become an expression of deep and abiding faith. The proposed project is one of the biggest projects our community has undertaken. This is an opportunity to evangelize the surrounding community, bring others to the Lord Jesus in the Catholic Church, and to make improvements for our parish family for the next three generations.

I'm looking forward to being with you at these town-hall meetings to share with one another. My prayer is that we will all come with open hearts, eager to listen and share, and always with a deep respect for one another.

Fr. Joe
