**FEBRUARY 28: STS. ROMANUS & LUPICINUS**

Romanus and Lupicinus were brothers. Romanus wanted to live a simple life, so left his home and settled in the Jura mountains, between Switzerland and France. There he lived as a hermit, all alone with Jesus. He spent his time praying and growing his own food. He had not been gone very long when his brother Lupicinus came to live with him. Romanus and Lupicinus lived such simple and holy lives that soon many men came to live with them, to learn how to become closer to Jesus. They built 2 monasteries and focused their time on praying and hard work. They also started a convent for women, which was run by their sister. They decided to take a vow of silence to help them grow even closer to Jesus. Their sacrifices really helped them to live very holy lives.

**HOLY FATHER'S FEBRUARY PRAYER INTENTION**

We pray for women who are victims of violence, that they may be protected by society and have their sufferings considered and heeded.

**GIVE WITNESS**

The Transfiguration was surely an incredible thing to witness! It is said that seeing is believing, and Peter, James, and John were given a heaping dose of belief on that mountaintop! Of course, these three disciples of Jesus already had great faith in who He was. So why did Jesus invite them up there? What was to be gained by God's revealing Himself to men who already believed? While the word "witness" does mean to see an event take place, it also means to profess or give evidence about an event. Jesus gave these disciples a story to tell...a story that would convert hearts and help others believe. Jesus gives ALL of His disciples – including you and I – stories to tell. While we may not have the mountaintop experience Peter, James, and John had, we are all given experiences that, when shared with others, can help them believe. Take some time during Lent to familiarize yourself with your story! How is God asking you to bear witness to others? How will you use your story to evangelize?

**CONSECRATION TO ST. JOSEPH—BOOKS ARE IN!**

Thanks to the generosity of Holy Trinity Catholic Books and Gifts we have your books in! If you signed up to receive a consecration book you can pick them up in the back of church. We have a small number of unclaimed books, so if you would like one but did not sign up, you can pick up one of those in the back of church also. If you've been enjoying the video consecration we will continue to posting those on our website for you to easily access. Videos will be updated as we move through the consecration.

**ST. JOSEPH ART—DUE THIS WEEK!**

We have already received many art pieces to display in our gallery of St. Joseph. Please continue to submit your artwork of St. Joseph! These may include, but are not limited to, painting, water color, pencil drawing, graphic art, mosaic, stain glass, and sculpture.

**FEASIBILITY STUDY INTERVIEWS**

Last week you should have received your letter asking you to participate in a feasibility study through a confidential, anonymous interview process. The feedback gathered in these interviews will then be reported to the building committee and to the entire parish. We encourage you to respond as your input is valuable and important as we go forward.

This study is being conducted by Betty Johnson & Associates to determine the extent of our parish's commitment to building a new church. Please contact them at 785.313.3632 or bettyjohnsonassociates@yahoo.com, if you have questions.

Please respond, per the letter, at your earliest convenience to secure an appointment. The impact this vision will have on our St. John's family is valuable and we urge all of our members to participate by providing feedback on this vision and by praying for the future of our parish.

**DEAR CLONMELIANS,**

Thank you for your participation in the bishop's pastoral visit to St. John's this past weekend. Many of you came to the parish center after the Sunday Masses to greet Bishop Kemme, socialize, and enjoy homemade rolls and muffins. I am most grateful to Megan Klausmeyer and Kelly Belton for sharing their gifts of baking with us.

In his homily bishop mentioned how he always enjoys his visits here to St. John's, but I think this may have been his favorite visit yet. He has been anxious to get back into the parishes and amongst his flock. We are only his 2nd parish in his 3 year schedule to visit each parish in the diocese for a pastoral visit and to share the diocesan pastoral plan. We have received great feedback from priests and staff at the diocesan offices, that Bishop Kemme seemed most pleased with his visit to Clonmel this weekend.

While he was here I was able to update him on our progress with the building project. He shared that he is quite pleased with the look of the exterior and is eager to see how we design the interior. Bishop expressed his support of our building project at each of our Masses. He also shared his belief that he sees the need to prepare for future generations of our parish and reminded us that this can happen through God's grace and our personal sacrifice.

**Feasibility Study**

You should have received a letter in the mail inviting you to a personal interview with Betty Johnson, who is the consultant conducting our feasibility study and possible capital campaign. Those interviews take place at St. John's in the Parish Center and are confidential. While Betty will share the information she gathers, she will not share names of who shared what feedback. I highly encourage each of you to participate in the process. This will help us to know what our parishioners want, what concerns they have, and what may need to be considered as we move forward. **Please consider using the card sent to you to sign up for an interview.**

Those who do not wish to meet personally with Betty may also schedule a telephone call with her or you may fill out a survey from her to offer your feedback in writing.

**Building project update**

The Building Committee is continuing to work with the schematic design of the church with our architect. This work takes many hours as we consider building materials from the perspective of structure and design. We have also worked a cry room into the design following a strong representative group's request following the last town-hall meetings. The drawings posted in the parish center are NOT the most up-to-date. As new drawings come out it is our intention to post the updates in the parish center.

We request your prayers as we continue this work.

Fr. Joe
