APRIL 18 : BLESSED MARY OF THE INCARNATION
 Mary of the Incarnation was named Barbe Aurillot when she was born. She was 17 years old when she married Pierre Acarie; they had 6 children. Barbe was a loving wife and mother. She loved her Catholic faith too and taught her children, and many other people, about Jesus' love. She was very busy with her own family, but she still found time to care for the sick and dying and to help the poor. Her husband died when she was 47 years old. She felt God was calling her to live the rest of her life as a nun, and since her children were grown up, she joined the Carmelite order. Her new name became Sister Mary of the Incarnation. Three of her daughters also became Carmelite nuns and one of her sons became a priest. She lived the rest of her life humbly loving and serving her fellow sisters in the convent

HOLY FATHER'S APRIL PRAYER INTENTION

We pray for those who risk their lives while fighting for fundamental rights under dictatorships, authoritarian regimes and even in democracies in crisis.

THE UPPER ROOM

In today's gospel, we see Jesus, yet again, gathered with the apostles in the Upper Room. This sacred space serves as the backdrop for several defining moments in the ministry of these first disciples...and for ours, as well. It was in the upper room that Jesus instituted the Eucharist and the sacrament of Reconciliation. It was to that room that Jesus beckoned his disciples and fueled them with the energy to go into the mission field! As disciples of the Risen Lord, let us also draw close to Him in the upper room. Let us enter into that holy space with Him so that we can go forth and share His good news with the rest of the world!

CALLED & GIFTED: APRIL 23-24

PRO-LIFE LETTER WRITING CAMPAIGN

The Vatican and Bishops urge everyone concerned for the sanctity of life to protest the use of abortion-derived cell lines and advocate for the development of vaccines with no connection to abortion. To make it easier for you to take this action, we are pleased to provide sample letters to pharmaceutical companies. We are asking for Catholics in the Diocese of Wichita to join Catholics throughout the United States to take part in a letter writing campaign. We encourage you to download, sign and mail letters urging the respective companies to stop making vaccines using aborted fetal tissue for any part of the process including testing. Target dates for this National Campaign is between March 25, the Solemnity of the Annunciation and April 25, the Feast Day of St. Gianna Beretta Molla. Questions contact Bonnie Toombs toombsb@catholicdioceseofwichita.org or 316-269-3900. Letters available: <https://catholicdioceseofwichita.org/respect-life-social-justice/letter-writing-campaign/>

A LETTER FROM THE BISHOP

...In consultation with my brother bishops in Kansas, with my own leadership team, and with our priests, I announce that the general dispensation for the laity of the Diocese of Wichita will be lifted on the weekend of June 5-6, 2021, the Feast of Corpus Christi, the Body and Blood of Christ.

While I understand that this decision will be met with some resistance and criticism, I believe the current positive trends in the pandemic warrant this action given the decreasing positivity rates, the increasing availability of the vaccines, the opening of other public places, and my own observance of many people resuming most if not all normal activities. In short, if you have resumed otherwise normal activity, it is important to return to in person participation in Sunday Mass, which is vital for our spiritual lives.

"Unless you eat of the flesh of the Son of Man and drink his blood, you have no life in you." John 6:53. Because of this teaching, the church proclaims the Eucharist is the "source and summit of the Christian life."

As Catholics, Sunday Mass is not only an obligation but a great privilege and should never be missed without good reason. The church places such great emphasis on the Sunday celebration of the Mass as our spiritual nourishment that she obliges us to be present unless we have a legitimate reason. We should all take to heart the church's directives for us in this regard...

One of the priorities in the Pastoral Plan for the Diocese of Wichita... is to renew parish and family life by reclaiming Sunday as the Day of the Lord, a day of worship and rest. Participating in the Mass on Sunday by as many of the faithful as possible helps us to fulfill this critical priority of our Plan.

Having said this, I do want to reassure you that those who are sick have no obligation to attend Mass until they are well. Those who are not currently ill but are at higher risk of infection and who are not yet able or ready to return to Mass may request an individual dispensation from their pastor, who has the authority to grant individual and temporary dispensations for just causes...

I would ask our pastors to be generous in offering these dispensations for the good of the faithful and to consider the pastoral practice of commuting these obligations to pious works. I would also recommend that Masses continue to be live-streamed and that other options for Masses with more social distancing and requirement of masks, etc., be considered, so as to give the faithful as many options as possible. I leave all of this to the prudent judgment of our pastors.

We are blessed that the doors of our churches are open, that Masses and other services are being offered and that normal Catholic life has resumed. The pandemic, however, is not behind us and though we must remain vigilant in helping everyone stay healthy and at peace, these past months have shown that attending the Mass under our current guidelines is safe. With this confidence then, I invite, encourage and request the faithful, who are able and well and who have not already done so, to make their way back to in person participation in the Sunday celebration of the Mass.

Please know of my daily prayers and thoughts. God bless you.

+Bishop Carl Kemme
