**MAY 23: ST. JOHN BAPTIST ROSSI**

John was born to a Catholic family who had 4 children. A rich couple that visited the family thought John was very smart and offered to pay for him to go to school. While he was studying he met some Capuchin friars and started to study to become a priest. John was sick a lot and after he became a priest he spent a lot of time with the sick people, because he knew how they felt. He also worked with the poor, especially those that didn't have anyone else to teach them about God. Fr. John had such a big heart that he also started caring for women and young girls that didn't have a home and lived on the street. The Pope gave him money so he could open up a home to care for them. He loved to bring people closer to God through reconciliation, because he knew this sacrament helped people find forgiveness and peace. He was a wonderful priest who loved God very much and served his people even when he was suffering.

**COME HOLY SPIRIT!**

To each individual the manifestation of the Spirit is given for some benefit. As a missionary disciple, it is important that you contemplate these words from Paul's first letter to the Corinthians. Explore what gifts (benefits) are unique to you because of the Holy Spirit, and discern how God is asking you to use those gifts in love of God and others. This is stewardship! You can discover your particular gifts through prayer, spiritual reading, and programs that may be available in your parish, but don't ignore the gifts or assume you don't have any! As Paul goes on to say, we are all members of one body, and each one of us has special purpose! Allow the Holy Spirit to drive your discipleship – today and always!

**PRAYER LINE REQUESTS**

Did you know we have a parish prayer line? Many parishioners have graciously agreed to pray for the needs of your family and friends through the use of the parish prayer line and we'd like to encourage you to make use of it!

**How does the parish prayer line work?**

Call the parish office or use our online prayer request form on the website to let us know you or someone you know needs prayer and we will send out an automatic call to everyone on the parish prayer line so that they are made aware of the need. The only criteria, due to privacy laws, is that you must have permission from the person named in the prayer request or an immediate family member of theirs in order for us to publicize it. The prayer line is used to request prayers for emergencies, accidents, surgeries, illness, death, loss of jobs or hardships of any kind, and many other reasons not listed!

**How do I receive requests from the prayer line?**

If you would like to receive the calls from the parish prayer line, contact Madelyn in the parish office to be added to the list!

**MEAL TRAIN REQUESTS**

Did you know we have a parish Meal Train to provide meals to families in times of need? We'd like to encourage you to use it!

**Who could use a Meal Train? How to get meals?**

Families who have welcomed a new baby (birth/adoption), are suffering an injury/illness, or are grieving a loss to name a few. If you, or someone you know could use meals, please contact the parish office and we'll get a meal train started for you or get in contact with the family to see if they would like meals.

**How do I help with providing meals for a Meal Train?**

Many people signed up to help with Meal Trains during our Stewardship Renewal. However if at any time you'd like to be added to the list call the office and you'll get added on!

**The Meal Train ministry is in need of a coordinator!**

Ideally someone who might know when parishioners could use meals, has a friendly demeanor and great deal of compassion.

This position would involve:

- Reaching out to the families that may want meals
- Gathering info about allergies, days for meals, drop off times
- Using a site like Take Them a Meal to share those details with the Meal Train parish volunteers.

**BREWING THE FAITH**

Back for the summer, Brewing the Faith is a parish event that takes place outside during the summer evenings. Throughout the summer, parishioners are invited to write down any questions they have or topics they would like to see discussed about our Catholic Faith and place them in the box in the church gathering space. Gathered outside, Fr. Tatro reads the anonymous question to the community and starts the conversation with parishioners sharing their thoughts around the topic before giving his own thoughts. Brewing dates will be announced soon, but the box is now out in the church to start putting your questions or topics in!
