MAY 30: ST. JOAN OF ARC

Joan was a shepherdess who loved to pray; she often prayed at shrines to Our Mother Mary. One day while she was watching her sheep, St. Michael the Archangel appeared to her and said, "Daughter of God, go save France!". France was at war with England (Hundred Years' War). England had so much of France at that time, that the King of England called himself the King of France too. The real King of France was weak and he never believed that the army of France could beat the English Army. That is why France was losing, they did not have a strong leader. Joan asked the King if she could lead his Army into battle into the city of Orleans, which England had almost captured. The King gave her permission, even though she was a girl, and at that time girls did not fight in the army. She led the Army into the city with a banner flying over her head with the words Jesus and Mary written on it. Even though she was hit by an arrow in this battle, she continued to lead the Army until at last they won the battle. Joan and her Army won more and more battles and finally the English armies had to leave France. After the war was won she was captured and sold to the English, who did not like her because she made them lose the war. She was put to death by the King of England. Joan was not even 20 when she died, but she was so brave. The last word she said before she died was Jesus.

SPIRIT OF ADOPTION

A few weeks ago, Jesus told us that we are no longer slaves, but friends. Today, He goes one step farther and says we do not have a spirit of slavery, but a Spirit of adoption. We have been chosen and intentionally brought into the love of the Holy Trinity! We are children of God and joint heirs with Christ, and that fact alone should revolutionize our discipleship. It should fill us with the faith and encouragement we need to do the hard work. Paul reminds us that we may have to "suffer with him so that we may also be glorified with him." The journey will not always be easy, but when we look to Jesus as the model for loving and serving the Father, we can't go wrong. When we look to the Father as the model for mercy and compassion, we can't go wrong. When we allow the Spirit to guide our steps, we can't go wrong. Your FIAT is a yes to each person of the Holy Trinity!

BREWING THE FAITH

Back for the summer, Brewing the Faith is a parish event that takes place outside during the summer evenings. Throughout the summer, parishioners are invited to write down any questions they have or topics they would like to see discussed about our Catholic Faith and place them in the box in the church gathering space. Gathered outside, Fr. Tatro reads the anonymous question to the community and starts the conversation with parishioners sharing their thoughts around the topic before giving his own thoughts. Brewing the faith will start this Sunday, May 30th at the Spring Into Summer Kickoff. Other Brewing the Faith dates: Sunday, June 27th @ 6:00pm and Sunday, July 25th @ 6:00pm. We hope you'll join us!
