JULY 11: ST. BENEDICT OF NURSIA

Benedict was born into a rich family that taught him about God and living a holy life. They sent him to Rome to get a good education, but he became very sad with all the sin that he saw happening in Rome. He left Rome and became a hermit, living in a cave for three years and getting closer to Jesus. Even though Benedict wanted to be alone with God, a community of monks asked him to come and lead their Abbot, because they saw how holy he was. This didn't last very long, because they didn't like how Benedict wanted to live, they thought it was too hard. They tried to poison Benedict, but God protected him and he left their community and went back to the cave. Then God lead him to Monte Cassino where he converted the people there back to Jesus; destroying the pagan temple they had built there. This is where Benedict built his most famous monastery and where he started the Benedictine order of monks. Many men joined the monastery and became Benedictine monks, and this way of life spread throughout the world.

DO THE MATH

Jesus sent the Twelve two by two in an effort to evangelize others. It is a simple plan, if you think about it ... a matter of multiplication and exponents! If the Twelve do their job well, then they send others and soon 12 becomes 24 and then 48 and so on! This is still the best plan for evangelizing others! You, as a missionary disciple, have been summoned and equipped by Jesus, and you have been sent to evangelize others. You do so in your words and your actions. You do so at home, at work, at the ball fields, at Mass, and even in the car! Are you conducting yourself in a way that will cause others to want to join you in the mission? Are you seeking opportunities throughout the day to share the Gospel in some way? The math only works if YOU work!

CALLED & GIFTED WORKSHOPS IN JULY

Here at St. John's, in conjunction with the parishes of Holy Spirit and St. Peter's, we offer Part 1 of the Called and Gifted discernment process. Our next workshop is July 30-31st. There is no cost for St. John's parishioners to participate. For those participants who are parishioners at another church, the cost to attend is \$45 which covers the cost of materials and registration with the online platform from the Catherine of Siena Institute. Lunch and refreshments will be provided for all participants. Registration for the July 30-31 session is now open. Deadline to register is July 20. <https://stjohnsclonmel.org/called-and-gifted-workshop>

If you are not able to attend our workshop on July 30-31 but would like to attend Called & Gifted, we will be hosting another workshop at the Spiritual Life Center on July 16-17. The link to register for that is also on our website.

MIDWEST CATHOLIC FAMILY CONFERENCE

Join Fr. Dennis McManus, Kimberly Hahn, Dr. Edward Sri, Jimmy Mitchell, Terry Barber, and Jim Bertrand at the Midwest Catholic Family Conference August 6-8, while they talk about the importance of our spiritual strength and evangelization. Save up to \$30 with pre-registration by July 25. Register online at <https://catholicfamilyconference.org/> or call 316-618-9798. Email questions to mwcatholicfamilyconference@gmail.com.

OPEN HOUSE FEEDBACK

For those that were not able to make the open houses, we have posted the new images of the interior of the church on our website along with a digital feedback form. All are encouraged to take some time to view the renderings and offer your impressions to help guide the building committee as they continue their work. Feedback forms are due July 18.

THANK YOU TOTUS TUUS VOLUNTEERS!

Many thanks to all of our parishioners who helped make our Totus Tuus week possible! Without your help hosting the teams, providing meals for them, and chaperoning during the day and evening program we would not be able to do Totus Tuus for our children. Your help is invaluable!

BLOOD DRIVE - SAVE THE DATE

We are hosting our next blood drive on Sunday, July 18th over at Clonmel Hall from 9 am-3 pm. You can sign up now using the QR code below. Paper signups will be out in the coming weeks. Thank you all for participating!

DEAR CLONMELIANS,

Thank you for all the feedback that has been submitted regarding the renderings of the new church. They are helpful in setting the course of the building committee's work as we move forward.

Meeting with the Diocesan Building Commission

Our building committee and our architect will be meeting with the Diocesan Building Commission on August 13th to review the work of our project to this point. They provide us feedback and insights from their perspective. This will be our 2nd visit to the Commission.

Responses to feedback

Because feedback typically comes in anonymously I thought it might be helpful to offer some responses to your expressed concerns using our bulletin. This may help resolve some concerns or offer encouragement that your input is being heard.

Noise – The most mentioned concern about the new building is the level of noise because we are putting in tile flooring in the sanctuary and in the aisles. This will contribute to a more resonant environment. To address the issue of resonance we will be hiring a sound engineer to determine the need for acoustic tile (on wall with confessionals) or in other non-visible locations.

Cry room – The last town-hall meetings included requests for a cry room that is also near the sanctuary so that young people are not simply looking at the backs of parishioners in front of them. Another concern was the use of the cry room by teenagers (a common issue in many churches). Placing the cry room at a 45-degree angle allows it to be in the transept for closer viewing but is not visible to most of the congregation. The door off of the aisle serves to discourage using the room by those not caring for a child.

Choir loft – Several have asked if we will have a choir loft in the new church. Although many on the building committee would have preferred a choir loft, we left it out of the design due to the extraordinary cost it would add to the project. A second story requires full compliance with ADA and fire regulations. That would include two stairwells and an elevator. In the new church, the placement of the piano, organ, cantor, brass quintet, and choir in the transept also allows for space that can be used for additional seating in the event of a large liturgy.

Seating capacity – The capacity of the church seating in the pews is 350. We have received feedback asking us to consider going larger but have chosen to keep the capacity of the pews at 350 due to costs. However, we will have the ability to seat close to 500 in our church when chairs are added to the gathering space and both transepts for large Masses.

Fr. Joe
