JULY 18: ST. FREDERICK

Frederick's grandpa was a King, so he came from a very important family. Frederick could have been anything he wanted, but he chose to be a priest. He worked hard to become a really good priest and, because of this, he was put in charge of taking care of all the new people coming into the Church. He was later made Bishop of Utrecht, where he really cared for his people. He made sure that there was a lot of missionary work being done to spread the Good News of God's love to everyone. Not everyone liked Bishop Frederick, because they did not believe in God and they did not like that he wanted them to believe. So one day, he was killed by two people that did not like him, but He died praising God.

REST

The word "rest" is mentioned nearly 50 times in the New Testament. We see it today in the gospel when Jesus says, "Come away by yourselves to a deserted place and rest a while." We see Jesus step away to rest several times during His public ministry, but today He is talking to the apostles, who have been traveling and preaching and healing the sick. They are tired, and Jesus recognizes their weariness. He recognizes yours, too. Jesus WANTS you to rest; He understands it is vital to your discipleship. Take some time this week to look at your obligations, prioritize them, and reclaim some time that is yours. Go to a "deserted place" and enter into the silence. Ask the Holy Spirit to quiet your mind. This is a powerful practice that goes against the busyness of our culture — do it anyway! Allow the Holy Trinity to refill and refresh you so that you can continue the good works that you do!

OFFICE CLOSED THIS FRIDAY

The office will be closed on Friday, July 23. The office will re-open as scheduled on Tuesday, July 27.

DEAR CLONMELIANS,

Thank you for your continued feedback regarding the renderings of the new church. I am pleased with the amount of responses we are receiving and the thoughtfulness and attention to detail each of you are using in offering your feedback.

I would like to issue a reminder that feedback forms are due end of day Sunday, July 18th. We will have our next Building Committee meeting on Monday and will be going through each feedback form both written and submitted online at that meeting.

If you have not yet, I urge you to take this weekend to review the renderings on our website and submit your feedback so that we can take all your concerns into consideration.

Responses to feedback

I would like to continue to offer some responses to your expressed concerns which I hope will offer encouragement that your input is being heard.

Lighting/Darkness

Feedback on the type of light fixtures in the renderings were overwhelmingly positive. While the light fixtures are not directly sourced as what we will put in to the new church, knowing that many parishioners appreciated the traditional look of the lights will help our building committee when seeking out exact lights to purchase.

There were some that expressed a concern for how dark the new church might be because of the darkness of the ceiling in the renderings. We do plan to have all lighting on dimmer switches that way we can control the brightness/darkness of the building for different liturgies and events. We can also look at the number of lights we have, and make sure that the light fixtures we choose shine light both up and down.

Not seen in the renderings is the use of canned lighting in various places in the church including in the sanctuary, transepts, and the potential to have lighting in the soffets around the church that may help reflect light onto the ceiling. This will be an issue we continue to discuss in the Building Committee meetings until we feel it is resolved.

Pews

Many of you noted that the pews in the renderings have a middle divider pictured, and overwhelmingly that was something you did not like. This is an easy issue to fix as we have not yet sourced the exact pews we will use in the new church. I can assure you that the pews in our new church will not have any dividers, they will be one flat bench all the way across. We will also be taking extra care to make sure our pews are well spaced and will try to make sure they are not too low so that feet fit comfortable under the pews when kneeling.

Fr. Joe
