

## **Building Project Update 7/14/2019**

Clonmelians,

I am pleased to let you know that the building committee members and alternates have been selected. Members of the committee will meet monthly (and at times more frequently) in order to advance the process of our project. Early in the process they will be assessing the feedback from parishioners, doing a needs assessment, and a financial and demographics study of our parish. You are welcome to contact individuals on the committee to express opinions or concerns. Committee members will be working toward consensus, requiring each of its members to be flexible in order for the committee to move forward in a collaborative way that supports the needs of our parish.

We have also selected three alternates. The alternates will not attend building committee meetings but will be sent the minutes of all meetings so as to keep fully informed of the process. In the event that a member would need to step away from serving on the committee, an alternate would be able to step in easily, already aware of the process and steps taken.

### **Building committee members:**

Don Klausmeyer – Chair  
Brian Zimmerman  
Wayne Youngers  
Jason Martin  
Angela Solomon  
Juliana Handy  
Jami Buck  
Fr. Joe Tatro – Pastor

### **Alternates committee members:**

Don Berntsen  
Steve Ochsner  
Linda Rausch

Please pray for these parishioners as they begin their service on our building committee. Also pray for the renewal of the Holy Spirit within each of us. Our project will require the Holy Spirit's renewal in order to be successful practically and in our hearts.

Fr. Joe
