Dear Parents,

Welcome to our 2021-2022 Religious Education program. I hope everyone had a lovely and relaxing summer. We are looking forward to sharing our beautiful Catholic faith with your children this year and I hope it will be an inspirational year that families will enjoy. We will be using the Spirit of Truth program again this year in order *to bring the fullness of Faith alive in the hearts of your children.*

Classes are scheduled to take place approximately twice a month (see our calendar). Students may attend classes in person or attending virtually is also an option. Students will be expected to complete assignments during the week when classes are not scheduled. These assignments will be related to material that has been covered in class. The assignments provide an opportunity for parents to be involved in their students' faith formation. Parent involvement is crucial to the development and enrichment of your children's faith and so we ask that parents make a sincere effort to help with assignments, attend Holy Mass on a regular basis, and pray with your children.

If you have not already done so, please complete the attached registration form for each child who will be attending our program this year. Registration fees are listed on the form. Completed forms may be mailed or brought to the parish office.

I am looking forward to working with your children this year as together we form a new generation of Catholics who know, love and serve our Lord Jesus Christ.

Please feel free to contact me at rileyhalnon@gmail.com if you have any questions, comments or would like to volunteer with our Religious Education program.

Sincerely in The Lord,
