HISTORY

For over 70 years, Saint Mary Catholic School has served the people of the Fort Walton Beach community and surrounding areas, providing academic instruction and helping to develop the religious faith of generations of Catholics. Beginning with the founding families, who sacrificed to build the first school, parents have continuously recognized the value of providing a Catholic education for their children. Many parish pastors, religious and lay teachers have toiled to assist them in this work. Today, the school proudly upholds the traditions of the past while preparing students to meet the challenges of the 21st century. The school's excellence is recognized, in part, through its accreditation through the Florida Catholic Conference. Striving always to emphasize faith development and the formation of sound values under the challenging conditions of our times, SMCS will continue its tradition of service long into the future.

SCHOOL POLICIES

MULTICULTURAL EDUCATION

The teachers of Saint Mary Catholic School integrate multicultural education into other disciplines as the opportunity presents itself. They are constantly looking for areas where multicultural education might be presented to students as part of a regular lesson. Teachers are given instruction in multicultural education and various means of integrating this instruction into core curriculum disciplines. The teachers are taught to recognize opportunities to present multicultural education in all classes.

ACCREDITATION

Saint Mary Catholic School is accredited through the Florida Catholic Council.

ADMISSION

Saint Mary Catholic Preschool respects the dignity of the child and his/her right to an education. No child is to be prevented from being accepted into this school because of race, sex, nationality, ethnic origin, or religious affiliation. Saint Mary Catholic School reserves the right to assess and place new students, as staff and administration deem appropriate.

As openings become available, the following priorities will be used to accept students:

1. Students who have older siblings enrolled in Saint Mary School.
 2. Members of Saint Mary Parish.
 3. Members of other parishes
 4. Non-Catholic students
2. Students entering Preschool must be three (3) years of age by September 1st and be able to their own toileting needs.
3. All VPK students must have a voucher before the first day of school and attend on the first day of school.

SEPARATION ANXIETY

Some children experience anxiety during separation. This is normal and quite common especially in new situations. This can also occur unexpectedly at any time during the year. We will be ready with hugs and reassurances to ease these moments. Parents are welcome to stay as long as needed. When departure time is eminent, parents are asked to inform the teacher, say good-bye to the student and leave without fanfare. We understand this can be traumatic, however, in most cases the student recovers quickly and becomes absorbed in preschool fun. Parents are invited to wait out of sight or call later for reassurances.

RELIGIOUS EDUCATION

Saint Mary is a Catholic Preschool. Religious education will be integrated into the curriculum. Prayers will be said on a regular basis. Saint Mary Preschool is open to children of ALL faiths whose parents desire and support this type of program.

PRESCHOOL DISCIPLINE POLICY

Our goal is to guide the child towards self-discipline. Because we are teaching children at various stages

of development; techniques used may vary from case to case. The following may be used when children display inappropriate behavior:

- Teaching the skill that is lacking, or the rule being broken.
- Natural consequence. (A child who is splashing at the water table gets shirt wet.)
- Imposed or logical consequence. (Child splashing at water table is asked to clean up the floor and/or leave the water table.)
- Child removed from the situation in the classroom.
- Removal from the classroom. If a child's behavior becomes so disruptive that it prevents learning from happening or if the child is a danger to himself or others; the preschool staff will meet with parents to design and implement a plan for modifying the behavior. This plan will be presented to the school administrator and progress will be reported. If these efforts are not successful, enrollment may be terminated. This decision will be made as a last resort by the school staff, the school administrator and Saint Mary's pastor.

ARRIVAL AND DISMISSAL PROCEDURES

Preschool classes begin at 7:45 AM. Preschool classes dismiss at 11:00 (for half day students) and 2:45. Preschool car pool will begin at 2:45.

ABSENCES

It is important for students to attend as much as possible. Skills taught and subjects covered will be built on from day to day. Excessive absenteeism may result in loss of enrollment. If a child will not be in school, parents are asked to call the school prior to 8:00 a.m. to report an absence. The voice mail system may be used to report an absence. Refunds are not provided for missed days. A note of explanation regarding the child's absence should be sent upon returning to school.

In addition, students that are receiving funding through the state's VPK program, must attend at least 80% of the monthly school days. This is referred to as Total Instructional Hours Per Month by the state, and the state will not pay for students that are not in attendance the required necessary days. Students not attending the required 80% could lose their spot and be asked to find another VPK program.

EXPULSION AND SUSPENSION

Students may be suspended or expelled from preschool for the following reasons:

1. Behavior of the student that presents a moral danger to other students.
2. Behavior that is incorrigible, i.e. the student has been corrected many times, but refuses to change his/her behavior.
3. Frequent absences.

SCHOOL VISITORS

Prior to the beginning of the school year, parents must designate individuals allowed to drop off or pick up their child. An area to provide this information is in the registration packet. Saint Mary Catholic School Preschool cannot dismiss a student to an individual that is not on the pick-up list without the direct permission from the parent. A person picking up a student that is not familiar to the preschool

staff may have to show identification to verify they are on the allowed pickup list. Any student transported by bus for any reason must sign a permission form for these services.

EMERGENCY CLOSING

When Okaloosa County Schools are closed due to weather or any type of emergency, Saint Mary School will also close. Please listen to local radio stations for this information. Even if Saint Mary is not specifically mentioned, we will close if the Okaloosa County School System closes.

BIRTHDAYS

Passing out invitations to only a few in the classroom has always been a sensitive issue for many students. Therefore, if you intend to invite your child's entire class to his/her party you may pass out invitations in school. However, if only a few are invited, kindly send the invitations through the mail.

CLASS SIZE

Preschool classes are limited to 20 for the Pre-K4 classes and 20 for Pre-K3. The administration reserves the right to make decisions regarding class arrangements.

COMMUNICATION

Periodic administrative announcements are sent to parents by way of the youngest child enrolled in school. This may include: notices of school activities, calendar items or changes, times of dismissal, and other items of interest. Teachers also send home frequent parent communications. These newsletters are also available on-line. All staff members have an active e-mail and classroom website address that is checked daily by all staff members. During the school day, your phone call will be forwarded to the classroom teacher's voice mail as to not interrupt the school climate and teaching atmosphere.

DRESS POLICY

Parents are responsible for what their children wear and we ask cooperation in the following simple guidelines. Students are to wear appropriate school clothing that is neat, clean, and modest. The dress code is also in effect on school days when children participate in field trips away from school. If a child arrives in questionable attire, the parents will be notified and may be required to pick up their child or bring appropriate clothing. Students may not be admitted to the classroom until appropriately dressed. Spaghetti straps are not allowed. Tops with inappropriate messages printed on them are not to be worn. Appropriate, sensible footwear is encouraged. Due to safety concerns flip-flop type sandals, clogs, and backless shoes are not allowed. Students should wear sneakers and socks.

DRILLS AND EMERGENCY PROCEDURES

Fire and lockdown drills are held periodically throughout the school year. Order and quiet are emphasized during these drills. The fire alarm is set off for fire drills. Five short rings of the dismissal bell signify a tornado drill. A School Lock down Drill will be held periodically. Lock down Procedures is utilized in the event that it is necessary to contain students in a secure location due to a variety of emergencies. The Preschool teacher is always made aware in advance of any drill that may take place. Care is taken not to frighten the children participating in the drills.
