County Championship will be decided on team regular season win/loss records. All tie matches will end. Point system will be used: Three points for a win, one point for a tie and Zero points for a loss. If teams are tied at the end of the regular season the 1st tie breaker will be head to head competition. If still tied, then the top seed will go to the team that has allowed the fewest total goals during the regular season. If stilled, there will be a coin flip. There will be no play-offs.
