## **School History**

Since its official opening in September 1946 Saint Mary School has been committed to the academic, spiritual, emotional and social well-being of students. During the past six decades the school has endured challenges, celebrated achievements and proclaimed the Gospel message unceasingly.

On September 11, 1946, Saint Mary School was opened and had an enrollment of 57 students. A third teacher, Sister Frances Louise, arrived shortly after the school year began to assist Sister Marie Dolores and Sister Madelene Sophie. In March of 1947 Bishop Toolen dedicated the school in the presence of Father Sherman as well as many priests from Pensacola and Mobile.

Excitement was high in 1949 when President Harry S. Truman made a visit to Saint Mary (May, 1996), but enrollment had dropped to only forty-eight students and the school was in danger of closing. With the beginning of the Korean War in 1950, however, an increase in military and civilian personnel to Eglin brought new students to the school

On May 6, 1959, ground was broken for a new school with Archbishop Toolen officiating. In October of that year construction began. Sister Marie Judith spoke of having “many moments of anxiety and trust in the Lord” during that time.

On September 8, 1960, the new school on Robinwood Drive was partially completed and opened for grades one through six. The Josephine Gerlach Memorial Library, a gift to the school from the Staff and Gerlach families, was opened on campus on February 28, 1960.

The 50th anniversary of the school brought a chance to reflect on the Saint Mary story. Alumnus Father John Cayer gave the homily during the anniversary Mass. He called the history of the school “50 years of God’s grace” and stated, “Today we celebrate not just tangible reminders of the past, but God’s active involvement in our lives. Let us pray that our ‘yes’ to God today will bring another 50 years to St. Mary School.”

The groundbreaking of a new parish life center dedicated to former pastor Monsignor Mullins was in 2005. Bishop Ricard and Monsignor Mullins attended the ceremony, and many of the 369 children from the school performed songs to commemorate the special occasion. The Parish Life Center would consist of a new gym, cafeteria, offices, meeting rooms and social hall.

In the fall of 2005 Saint Mary School opened its doors and hearts to 87 children and their families displaced by Hurricanes Katrina and Rita. With enrollment at 470, following the storms several classrooms were filled to overflowing, but the school family was determined to see that anyone in need of assistance was not turned away.

On September 20, 2005, Saint Mary was named a No Child Left Behind - Blue Ribbon School. The school was recognized for scoring in the top ten percent of the nation on standardized assessments. The school celebrated its 70th year anniversary in 2016.

## **Philosophy**

Saint Mary Catholic School was established in 1946 to proclaim the Gospel message. Saint Mary School provides a distinctive Christian environment in which the Church's tradition of education brings to students the joyful pursuit of faith, wisdom, and virtue. This integration of faith with school life develops students whose values are centered on the teachings of Jesus Christ. Through experiencing the Gospel message, students develop an inner faith, which sustains them throughout their lives. In Catholic Schools, liturgy, prayer, and all forms of faith practice are incorporated into school life.

Catholic education has the responsibility to educate those who seek such an education. The school challenges students to fulfill their potential spiritually, intellectually, physically, and socially. The community of priests, administrators, teachers, staff, parents, and students work cooperatively toward the school's goals. A strong foundation of religious education and active academic learning, coupled with close relations with home and family, encourage students to reach out from the school community to the world around them.

Christian standards of social behavior are emphasized at Saint Mary Catholic School. As a result, a strong sense of social justice is developed during the students' school years. The school provides many opportunities for service to others. Saint Mary Catholic School strives to form productive, caring members of society.

### **NON-DISCRIMINATION POLICY**

It is the policy of the Diocese of Pensacola-Tallahassee to admit students of any race, disability, color, sex, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. They do not discriminate on the basis of race, disability, color, sex, national and ethnic origin in administration of educational policies, and athletic and other school administered programs.

**THE PROTECTION OF CHILDREN AND VULNERABLE ADULTS** The Diocese of Pensacola-Tallahassee is committed to healing the hurting hearts of sexual abuse victims and has established Victims Assistance Coordinators who are experienced and trained counselors available to help persons who have been sexually abused.

## **ADMISSION AND REGISTRATION**

### **PROBATIONARY ADMISSION STATUS**

All newly-enrolled students will be accepted on a probationary basis for the first semester of school.

### **GENERAL ADMISSION POLICY**

Saint Mary Catholic School does not discriminate on the basis of race, color, gender, national or ethnic origin in selecting students, faculty or staff. Admission is based on the availability of space in each class and adherence to the requirements listed below.

Age entry requirements:

Pre-Kindergarten — Must be 4 years of age on or before September 1st

Kindergarten — Must be 5 years of age on or before September 1st

1st Grade — Must be 6 years of age on or before September 1st (Must have successfully completed a Kindergarten Program).

Parents registering children for the first time must provide the following documentation:

1. Birth Certificate
2. Baptismal Certificate
3. Social Security Card
4. Florida Immunization Certificate (HRS Form 680)
5. Florida School Entry Health Exam (HRS Form 3040)
6. Non-Refundable registration fee per child:

Current Students—\$150.00

New Students—\$200.00

Family Registration--\$400

## **REGISTRATION**

Registration for current students is taken during the first two weeks of February. A registration packet is sent home with students whose financial accounts are current.

## **IMMUNIZATIONS**

Per Diocesan Policy # 310, all students shall comply with State of Florida required Immunization and Health laws prior to admission. If the child's immunization status proves to be inadequate, said student shall be excluded until such time that the appropriate requirements have been completed. Parents have 30 days to bring immunizations up to date from the date they move to the state of Florida. Parents must keep the office informed of all updated immunizations. There are no exceptions to this policy. There are generally recognized to be three types of exemptions sought from the schools' immunization policy – religious, conscience and medical.

- Religious exemptions: There is nothing in Catholic moral teachings which would hold that the use of vaccines is immoral and sinful. Accepting the opinion of the much-respected National Catholic Bioethics Center, the Bishops of Florida take the position that, "Catholic schools or a Catholic diocese cannot grant an exemption from vaccination on religious grounds since the Catholic Church does not teach that the use of vaccinations...is intrinsically evil." Accordingly, requests for exemptions based on religious beliefs will not be considered in any Catholic schools of this diocese.
- Conscience exemptions: The risk to public health in our Catholic schools has been determined to be too grave to allow exemptions from immunizations on the basis of conscience, or even for parents who erroneously believe that it would be sinful to have their children immunized. Social teachings of the Catholic Church are firm and consistent on the "common good" as the principle guide to reason in this regard. In justice, we consider and sometimes place the needs of others above our own. It is in that spirit that the Catholic Church recognizes a parent's right to decide what is in the best interest of their child, so long as the effects of that decision only impacts them or their child. It is clearly a different matter when the consequence of that decision potentially puts others at risk. The good of respecting the conscience of parents of a single child is outweighed by the harm which could come to many as a result of an exemption on the basis of conscience. Accordingly, requests for exemptions based on conscience will not be considered in any Catholic schools of this diocese. 9
- Medical exemptions: Medical exemptions will be considered, but only if a determination can be made by diocesan officials that, based on medical evidence, admission of the child without a vaccination would not constitute a health risk to the school community under the circumstances. If such determination cannot be made, a medical exemption will not be granted. This exemption is reserved to Diocesan officials and is not to be granted at the parish or school administration level.

## TUITION AND FEES

### TUITION PAYMENT

The payment of tuition on time is very important since the school depends upon these funds for its financial operation. Tuition is automatically taken out of FACTS. All families are required to register with FACTS. Failure to pay tuition by the end of the month will result in notification to the pastor and principal. You may be asked to remove your child from the school if your payment is in arrears for three months. As members of a Christian community we are willing to reach out to those members who experience extenuating circumstances. However, it is your responsibility to contact the bookkeeper or principal to make them aware of your particular situation. Families requesting financial assistance above and beyond the Parish Participation Grant must see the principal to request additional help. **Families seeking financial assistance will be required to complete the FACTS Grant and Aid Assessment Application to verify need.** In addition, a brief application requesting additional funding will also have to be completed.

Based on the results of the applications and available funding, additional assistance may be granted.

### TUITION PAYMENT PLANS

Tuition payments will be made over a 10-month payment period. Tuition payments are due the 5th or the 20<sup>th</sup> of the month, with the first payment in June. If a student withdraws from school prior to the beginning of the school year, two months of tuition is non-refundable. If a student withdraws from school once classes have started, tuition up to and including the quarter in which the student withdraws is nonrefundable.

### TUITION REFUND POLICY

For students withdrawing from school at the request of the school administration at any time, a full pro-rated refund of all remaining tuition other than the registration, book and miscellaneous fees, will be made.

If a child is withdrawn prior to July 1st, there will be a full refund of tuition minus fees. As of July 1st, there will be no refund of two (2) months of tuition.

Prior to the beginning of the school year, if two or more month's tuition is not paid the student's registration may be automatically terminated and the student's position is relinquished to another student.

If a student withdraws from school once classes have begun, tuition up to and including the quarter in which the student withdraws is non-refundable.

In the event of a transfer of employment of the parent over 30 miles from their original home, the principal may use his or her discretion in the refunding of tuition and will notify the Schools Office of the Diocese of Pensacola-Tallahassee of his or her decision.

There are no refunds on fees. In the event that a student withdraws from the school at any time, there will be no refund of fees paid. This includes book fees, registration fees, graduation fees, retreat fees or other fees established by the school.

For purposes of calculating the amount of refund due as a result of a student's withdrawal, the departing student will be considered the last child of the family. For example, if a family with three children in school withdraws one of its students, the refund will be calculated using the tuition rate for the third child of the family.

At any time during the school year, if a family is delinquent in tuition payments by more than one month, the student may not attend school until payments are made current. This includes taking semester exams.

A child's attendance may be terminated if tuition is two (2) months in arrears, unless a payment plan has been approved by the Administration.

## **FINANCIAL ASSISTANCE**

Financial aid is determined through a third-party assessment by FACTS. An application must be completed through FACTS Grant & Aid Assessment at [www.factstuitionaid.com](http://www.factstuitionaid.com). After completing the online application, supporting documentation must be mailed or faxed to FACTS. Submission of application does not guarantee financial aid.

### **CATHOLIC PARISH PARTICIPATION GRANT**

To contribute financial assistance in the operation of schools, local Catholic parishes provide a grant of \$800 per child to those parishioners who are registered and participating in that parish. In addition to living up to some basic Catholic responsibilities, your stewardship (giving of your time, talent and treasure—the support of your parish through reportable income—is seen as participation in the parish. Review your commitment to, and participation in, your parish. If you feel as though your family will qualify, complete and submit the Catholic Parish Participation Grant Application to your parish office for your pastor to sign. Until the signed form is received in the Business Office, you will be charged the Non-Catholic / Non-affiliated Tuition Rate. Once the signed form is received, the rate will be adjusted. If the grant is not awarded, you are responsible for the Full Tuition Rate.

### **GEORGE AND MARY KREMER FOUNDATION GRANT**

This is a private foundation for needy children enrolled in elementary Catholic schools. Saint Mary Catholic School is notified in March if we will be eligible to participate in this program. Please contact the school office for an application. The deadline for applying for this grant is usually in May of each year. This grant money is not distributed until after September 1st. You must pay the full, monthly tuition amount until your grant is approved and then the school office will reduce your payments accordingly. Students in Pre-K and Kindergarten are not eligible for these funds.

### **BLACK & INDIAN GRANT**

This grant may be offered if money becomes available through the Diocese.

## ACADEMIC POLICIES

### HOMEWORK GUIDELINES

The goal of homework is to provide students practice in the concepts and skills that they are learning during the school day. Homework is only assigned after a concept has been introduced. Students in grades three through eight **are required to use agenda books to record assignments**. Homework assignments take into consideration individual differences and are reasonable in length. Homework will include activities completed outside the school which have a direct application to content being studied in school. Homework is evaluated; however, recording grades for every homework assignment is not necessarily required or expected.

#### Homework - Middle School

1. Assignments that are one day late will have a 10% grade reduction.
2. Assignments that are two days late will have a 30% grade reduction.
3. No assignments will be accepted after two days. **A zero may be given for no homework.**

### ABSENTEE HOMEWORK

Parents may request short-term homework for ill or absent students. Such requests must be made at the school office **before 10:00 a.m.** and then be picked up at school dismissal time in the school office. This will allow teachers an opportunity to write assignments without interrupting ongoing learning activities. Students are allowed **three school days** to turn in missing assignments upon returning to school from an excused absence for illness. Failure to complete missed assignments will result in reduction in grades. It is the student's responsibility to obtain assignments and turn in missing work. **If a student is absent the day of a test but was present the day prior for the review, the student will make up the test upon his/her return to school. Homework will be due the following day for students who miss class due to extracurricular activities (sports, etc.), and vacation absences. Students who take extended vacation days, longer than two days, will need to follow their teachers' websites for assignments as assignments can change. For extended vacation days longer than two days, students will need to confirm with their teacher when missing assignments are due, and all assessments will need to be taken immediately upon return.**

**Absences from extended vacation days must be approved by the principal.**

## ACADEMIC GRADES AND PROGRESS

### POWERSCHOOL

The PowerSchool web portal offers parents the ability to access and review their students' grades and attendance online. At the beginning of each school year, parents of new students are given a confidential id and password. You will need these to associate your child's information to a login

and password that you will create to access the web portal and see your child's information. Please keep them confidential to protect your child's information.

If you do not have internet access, you may bring your child's login information to the school and use one of our computers. If this is not feasible due to work or transportation issues, and if you have no other means of logging into PowerSchool, you may send a written request for a paper report to the office.

## USING POWERSCHOOL

To log into the web portal go to this Internet address:

<https://ptdioceseschools.powerschool.com/public/>

If you have previously created a login name and password, enter them in the User Name and Password boxes and click Submit. If you have not done this, click the Create Account.

## GRADES AND ATTENDANCE

When a category or assignment is listed in blue, you may click on it to get more information. Click on a grade to see a list of assignments and tests that make up that grade. Click on the number of tardy days or absences to see a list of dates that make up that total number.

When viewing assignments, you may see some of the following special grading characters:

L – Late Assignment was handed in late. Student's grade may have been penalized.

M – Missing Grade of zero for work that was not handed in.

Ex – Exempt Student was exempt from this assignment.

ü – Collected Assignment was collected, but has not yet been graded.

Both an attendance summary and daily attendance to the most recent two weeks are available on this screen.

## GRADES HISTORY

This screen allows you to see final grades from previous quarters, but individual assignments from previous quarters are not available.

## ATTENDANCE HISTORY

This screen allows you to view attendance for the entire quarter. A legend at the bottom of the window explains the attendance codes that are used.

## E-MAIL NOTIFICATION

This option allows you to elect to have a copy of your child's grades or attendance sent to you via e-mail. You can select how often these e-mails are sent.

Please note these considerations about e-mail notification:

- E-mails are generated by the PowerSchool server and are not as "reader friendly" as using the web portal.
- If you elect to be sent a detailed report showing all assignment scores for each class, and you

elect to receive them daily, you could be sent up to 14 separate e-mails every day.

- If you use a web mail account (i.e. Yahoo or Hotmail), please check and empty your mailbox regularly so that you have room for PowerSchool messages. If your mailbox is full, your PowerSchool mail will be undeliverable.
- E-mail reports are sent from an unmonitored e-mail address. If you wish to discuss something on the report with your child(ren)'s teacher(s), you should click Forward (not Reply) and enter the teacher's e-mail address and your comments/questions.

## **PROGRESS REPORTS**

A student's progress may be monitored by parents through the Parent Portal of PowerSchool. Progress reports, noting a student's academic progress, are online in PowerSchool at the mid-quarter for each of the four quarters for grades 2<sup>nd</sup> - 8<sup>th</sup>. Progress Reports may also be given any time a student's progress is not satisfactory.

## **ACADEMIC IMPROVEMENT PLANS**

All students who receive a D or an F on their report card will have an Academic Improvement Plan (AIP). The AIP will list strategies for improvement and will be monitored closely until the grades improve. Academic Improvement Plans will be written at the end of the first, second and third quarters. The AIP will require a parent/guardian signature.

## **INCOMPLETE GRADES**

In cases of prolonged illness or other extenuating circumstances, a student may receive an Incomplete due to missed assignments. The incomplete grade is initially recorded on the report card as an "Incomplete." After 10 days, the "I" is changed to the grade earned; if the incomplete grade is not corrected by the end of the ten-day period, the grade reverts to an "F." Grades will be changed in Power School at the end of the 10-day period.

## **ACADEMIC PROBATION**

Students who receive a GPA below a 2.0 may be put on academic probation.

## **HONORS CRITERIA AND HONOR ROLL ASSEMBLY**

An Honor Roll will be established each quarter naming those students in grades one through eight who have demonstrated academic excellence together with consistent effort and good conduct. Honor Roll Certificates are presented during Honor Roll Assembly for the 1<sup>st</sup> through 3<sup>rd</sup> Quarter.

**The following criteria will be used:**

**Academic Excellence- All A's, including Specials (Music, P.E., Art, Computers, Library, Spanish), or all E's.**

**Outstanding Academics: Only A's or B's in all subjects, including Specials (Music, P.E., Art, Computers, Library, Spanish), or all E's and G's.**

**Extra Effort – Students who work above and beyond in their studies.**

## ACADEMIC SERVICES

At SMCS we offer the following academic services to ensure our students success: School Counselor, certified ESE Teacher, certified Gifted Education Teacher, Title 1 Reading and Math Program, a licensed Speech, Language Pathologist (SLP). In addition, we can work with outside private services such as ABA Therapists and Occupational Therapists.

### STUDENT RECORDS

A cumulative record of each student is kept on file in the school office. The student record includes final averages for grades from each year, test results, health records, any auxiliary information provided, and school entrance information. A student's record may be transferred to another school only with the appropriate approval of the parent until such student is a legal adult. The **Withdrawal School Form** must be completed and submitted to the school office prior to records being sent. Parents may review their child's records by making an appointment with the principal.

### RETENTION POLICY

Parents are encouraged to contact their child's teacher at the **FIRST SIGN** of a student's difficulty in any academic subject. It is the teacher's duty and responsibility to notify parents through PowerSchool, conferences and report cards that academic problem(s) exist. Parents and teachers will work together in planning possible remedies to the problem.

#### Grades PreK3-1

The faculty involved and the school administration determine retention in grades PreK3 through one.

#### Grades 2-3

If a student in grade 2 or 3 receives a D or below in Reading and/or Mathematics, she/he must receive a minimum of 16 hours of instruction per subject administered by a certified teacher or at an accredited facility. The faculty involved and the school administration will determine retention.

#### Grades 4-8

If a student in grades 4-8 fails one subject s/he must attend local public summer school if available. In the event that summer school is not available, then grades 4-8 must take the course online through Florida Virtual School. If a student fails in two or more core subjects, it is an automatic retention, and the student will need to repeat the grade. If the student is retained in grade eight, she/he cannot remain at Saint Mary Catholic School.

### STANDARDIZED ASSESSMENTS

The Terra Nova Assessment is given to the students in grades two through eight in the spring as required by the Diocese of Pensacola-Tallahassee. The results of these tests are placed in the student's cumulative files and a copy given to the parents. These tests denote specific skills

mastered by students and aid teachers in setting up individual programs for students. These tests are also used to evaluate the strengths and weaknesses of the curriculum.

The Terra Nova is a nationally-recognized, norm-referenced test that meets most states' annual testing requirements. It provides a series of tests that are easy to administer, stimulating to take, and most importantly extremely accurate in their assessment of student achievement.

Terra Nova is a norm-referenced nationally standardized achievement test.

- ❖ Nationally standardized means that the test was administered to students across the country at the same time. Norms are also set for the time of year the tests are taken.
- ❖ A statistical sample of students is involved in the norming. This enables the test designers to establish appropriate percentile scales (norms) indicating how well students of a particular age and grade perform on the test items.
- ❖ Terra Nova is an achievement test, not a proficiency test such as the state administers. Proficiency tests are those in which students have been taught all the content and are now being tested on whether or not they "got" it. Achievement tests include content that students have been taught and include content students may not have been specifically taught, but that they could be expected to have mastered according to their cognitive ability.

## **REPORT CARDS**

Report cards are issued every nine weeks. The nine-week grading period is in accordance with Diocesan policy. Report Cards must be signed by the parent/guardian and returned to the school within one week of issuance. The last report card of the year will be mailed home as long as financial obligations are clear.

### **Grading Scale**

| <u>Grade 1</u>        | <u>Grades 2 – 8</u> |

## **CONDUCT GRADES**

Conduct grades are given quarterly and are as follows:

1. Above Average
2. Satisfactory
3. Needs Improvement
4. Unsatisfactory

## FINAL GRADES

At the end of the year, a final average is given for each student in grades 3-8 based on the four-quarter marks. The mid-year and final exam marks are also averaged in the final grade for those students who take them. In computing the final grade, each quarter grade bears twice the weight of a semester exam.

## PARENT-TEACHER CONFERENCES

Communication between home and school is very important and part of our philosophy at Saint Mary Catholic School. As such, we require parents to receive their child's first quarter report card at a parent/teacher conference. Throughout the year teachers and parents/guardians may request additional conferences to ensure the best possible education for each student. Please call the school office or email your child's teacher to request a conference. If a parent has any concerns in regards to his/her child's education, they should be addressed with the teacher first and if necessary with the principal.

## SCHOOL POLICIES AND GUIDELINES

### ATTENDANCE

Students **may not be dropped off for school before 7:45 a.m.** unless they are attending Extended Care. After 7:45 a.m. students may be dropped off and are to go directly to their classrooms. It is important for students to arrive on time each day in order not to disrupt the beginning of the school day and also be present for important announcements. School begins promptly at 8:00 a.m. To fully benefit from the instructional program, students are expected to attend school regularly, be on time for classes, and satisfy all course requirements. Poor attendance or excessive tardiness may result in low or failing grades.

### TARDY

Students who arrive after the 8:00 a.m. bell has rung must check in the office **with their parents.** Signing in does not automatically excuse the tardy. Tardiness is excused only if it is a result of serious or unavoidable circumstances.

**If a student arrives tardy more than 1 hour late (9:00 a.m.) or leaves school more than 1 hour early (2:00 p.m.), the student will be counted as ½ day absent. (This does not include medical appointments.)**

## **CHECKING STUDENTS OUT EARLY**

There will be no dismissals after 2:00 p.m. except for medical appointments with a doctor's note. This is both an instructional and safety issue. Early dismissals disrupt the class routine for the whole class and it is a safety and security issue during carpool.

Appointments for the doctor and dentist should be scheduled after school. In the event a student must leave school during the day, **a note must be given to the teacher at the beginning of the day**. A student will not be dismissed from class before the parent arrives and signs the student out of school in the Office. The last bell rings at 3:00 p.m. If a student checks out early, they are responsible for the next day's homework and any class work missed. The student is responsible for acquiring the assignments.

## **GUESTS / VISITORS**

All parents, guests and visitors must sign in at the main office and receive a visitor pass that is to be worn during the entire time that they are in the school. Students and faculty have been instructed to inform the office if they observe anyone in the building who does not have a visitor pass. Visitors are also required to sign out and return the pass to the office when they leave. Visitors/parents may not visit teachers or students during school hours unless previously approved by the principal. Appointments/requests will be taken in the office and relayed to the teachers involved. Meetings with teachers must be scheduled in advance.

## **REQUIRED ATTENDANCE**

**Any student who has not been in attendance for instruction for a minimum of 90% of the class each semester may not pass the subject unless the student demonstrates mastery of the student performance standards by passing a comprehensive final exam in the course. This will go into effect after 10 days absent in any semester.**

## **ABSENCE OTHER THAN ILLNESS**

Absences other than illness are approved in advance by the principal. Students missing school for vacations or trips of any kind are excused only with advance permission. Students are required to obtain whatever assignments are missed in advance and **turn the work in the day they return**.

## **ALTERNATE TRANSPORTATION**

Students who will be using transportation other than their normal plan must provide a note from home and must be given to the Office. Any transportation changes the day of **MUST BE CALLED INTO THE SCHOOL OFFICE**. Teachers are busy teaching and might not see an email correspondence. For example, if a bus rider will be going to carpool, the parent must confirm this change in writing before the day of the change, or on the day call the school Office before 2:15 p.m.

## **BACKPACK POLICY**

Backpacks are to be used to bring materials and books to and from home. They may not be used during the school day. The backpacks will be stored in the homeroom of each student. Students who change classes will take their 3-ring binder and their books only. Girls will be allowed to use a small purse.

Students in grades K3 through 4<sup>th</sup> **will not be allowed to use rolling backpacks**. Students in grades 5<sup>th</sup> through 8<sup>th</sup> may use either type of backpack.

## **BUS**

Safety is our primary concern on our school buses. The safety rules apply to all students. The bus adheres to a strict schedule and does not wait for late students. The bus stops at scheduled stops only. **Please do not ask the bus driver to make unscheduled stops**. This is for the safety of our children and ensures the bus is on time.

- Students should arrive at least 5 minutes early to their bus stop to account for the bus running early.
- Students who ride the bus will be ready for departure at the last bell. Buses will leave the grounds at 3:00 P.M.
- Students may not get off the bus once they board the bus.
- Except for ordinary conversation, students shall observe quiet conduct on the bus.
- Seatbelts must be used.

- Students are allowed to ride the bus home with a friend on a space available basis. The cost for a student (who is not a regular bus rider) is \$5.00.
- Students will close their windows when they get ready to exit the bus.
- If no one is at the assigned bus stop to pick up the students, they are returned to After-Care at the school and the parents are charged.

**Riding privileges may be revoked for rule violations or for conduct that is detrimental to the safe operation of the school bus. The school bus driver is in complete charge of the bus and students.**

## **CAFETERIA POLICIES**

Saint Mary School is a participant in the USDA Federal Lunch/Breakfast Program. Hot and nutritionally balanced meals are prepared daily. The five menu categories are Meat/Protein, Vegetable, Fruit, Grain, and Milk, (usually fat-free, reduced fat, chocolate reduced fat and whole milk choices). On most days, there is more than one selection in each of the categories offered. Students in K3 through 1<sup>st</sup> grades will have their trays prepared with 4 lunch items by the cafeteria staff. They will select their milk type (5<sup>th</sup> item).

Lunch costs \$3.00 for students at all grade levels. The non-student (adult) meal cost is \$3.75. A la carte items & extra entrees will cost \$1.75. Students who bring a sack lunch may purchase milk or juice for 75¢. Breakfast costs \$2.00.

It is a parental responsibility to provide for a child's lunch. Students can charge meals if they forget their lunch or lunch money; however, charging should not be considered a normal procedure. Students may not charge for extra servings.

Saint Mary School utilizes **My School Bucks**, an online meal payment program that allows parents to pay for meals online.

Lunches and milk for the week may be purchased in advance from the cafeteria cashier. The money should be sent to the homeroom teacher in a labeled envelope. Prepaid credits are maintained by the cafeteria cashier. Parents may also pay online through My School Bucks.

## **CAFETERIA BEHAVIOR**

Students are expected to follow all cafeteria policies. There are two lunchroom monitors in the cafeteria. The monitors are in charge of the students during their lunch period. Teachers bring students to the cafeteria, get the students seated and then will have duty-free lunch. The monitors will supervise the lunch time for each class and will guide the students in appropriate manners, which will include cleaning up after themselves. Students are expected to use good table manners.

1. Students will keep conversation to an appropriate noise level.
2. Students will remain in their seats during lunch, unless given permission by one of the supervising adults.
3. Students are assigned by the monitors to clean tables.
4. **No canned or carbonated drinks are allowed.**

5. Students will put trash into the container, clean up the floor, and exit quietly when instructed to do so by the monitors or their teachers.

## **CELL PHONE POLICY**

Student cell phones are allowed on campus as long as they remain in the backpack, locker, or cubby, and **turned off**. Phones must be turned off during school hours. Cell phones will be confiscated if found on a student's person and/or used on school property between the hours of **7:45 a.m. and 3:15 p.m., and any student in Extended Care** for the duration of the time the student is in Extended Care. **In addition, Apple watches, smart watches, or Fitbits that have internet are not allowed on school property, and will be confiscated and taken to the Office.** Any confiscated phone or smart watch must be picked up by parents from the principal.

## **FIELD TRIPS**

Field trips are recognized as an integral part of a sound educational program and provide a valuable addition to the classroom curriculum. They provide students with experiences to expand their educational and cultural horizons. Each child must have a school-issued permission slip and a medical treatment release form, signed by a parent or guardian, in order to accompany the class on a field trip. (Verbal permission or handwritten note by parent will not be accepted.) If special financial arrangements are needed, please see Mrs. Akins privately.

Field Trips are a privilege, not a right. Students can be denied participation if they fail to meet behavioral or academic requirements as determined by classroom teachers or school administration. All reasonable and prudent steps to safeguard the welfare of participating students shall be taken. Only students enrolled in Saint Mary School will be allowed to participate in class field trips. Younger or older children may not accompany adult chaperones on the class trips. Chaperones must be able to give their undivided attention to supervising class members.

When valid school bus transportation is not available and private vehicles are used, the following is required:

- Qualified volunteer drivers over 25 years of age must complete and be in compliance with all stipulations on the Volunteer Driver Information Form.
- Every student in a car must wear a seat belt or be in a booster seat; they may not sit in the front seat. Students in grades PreK-2 must be in an approved booster seat, provided by their parents. (If a student is 4'9" or taller, s/he may sit with a seat belt. That student will not be required to have a booster seat, if the seatbelt fits correctly according to American Academy of Pediatrics guidelines.

## **COMMUNICATIONS**

### **FLOCKNOTE MESSAGING**

We use a text messaging program called Flocknote. We highly advise signing up for this service. We communicate important school information on a regular basis through Flocknote. You may sign-up for this through the link on the front page of our website.

## CONTACTING STUDENTS DURING SCHOOL HOURS

Parents picking up students, leaving messages, lunches, etc., during school hours must go through the Office. Messages for students and teachers will be delivered at a time that does not disrupt classroom activity. Please make every attempt to keep these interruptions to a minimum. It is important that the pick-up procedures/plans be made before the school day begins. We will not accept change in routine instructions for students after 2:15 p.m. unless it is an emergency.

Parents are not to enter the classroom during the school day unless they are scheduled as a volunteer and have signed in at the school office. All visitors to school must go through the Office and our security procedures. If you walk your child to class in the morning, please leave them at the door.

## OFFICE TELEPHONE

Students will use the office telephone for emergency purposes only. Items left at home such as books, homework, music instruments, or physical education uniforms/equipment are not considered emergencies. Additionally, phone calls are not allowed to arrange after school activities; these arrangements should be made prior to the beginning of the school day.

## MONDAY MESSAGE NEWSLETTER AND MONDAY MORNING MEETING

One Monday during each month, the school will meet together in the gym at 8:00 a.m. to start our day. We call this our Monday Morning Meeting. We will pray together, share school news and upcoming events. In addition, every Monday we send out our newsletter, the Monday Message. The newsletter is an excellent way to be up to date on all school news and participate in school fellowship. The Message is accessible on the school website under the heading Monday Morning Message and emailed home to all families.

## DISCIPLINE

Saint Mary Catholic School philosophy is we walk with Jesus and we treat others as we would like to be treated. Our goal is to provide a positive, caring learning environment where students can reach their full potential. Students and parents are provided a list of specific classroom procedures and expectations at the beginning of each year. Each teacher has his/her own classroom management system. Please be aware that any one list of rules is not all-inclusive but serves as a general guide. It is our intention to work together to insure that each student progresses. As part of this partnership, the school requests that parents discuss classroom expectations and procedures at home.

## DETENTION

Grades 2-8: After-school detentions will be held every Thursday from 3:00-4:00 pm. Teachers and the Assistant Principal will supervise detentions on a rotating schedule. A student in detention will not be allowed to do homework, study or sleep.

A Disciplinary Report (DR) is sent home for conduct violations in all grades. These reports must be signed by a parent/guardian and the student and returned to the issuing teacher the next school day. ### **EXTENDED CARE**

The Extended Care program provides quality supervision that fosters development and is available to children enrolled at Saint Mary Catholic School. Parents must first complete a registration form before they may enroll their children. This form should be returned to the Extended Care staff (see Registration section of the school website for costs). Extended Care is offered at Saint Mary Catholic School during the school year from 6:30 a.m. until 7:45 a.m. and from 3:00 p.m. until 6:00 p.m. The program provides students with the opportunity to meet before and after school in a supervised environment for both play and study.

### **EXTENDED CARE RULES**

Failure to comply with the rules listed here can result in a phone call to the parent/guardian and then subsequent removal from the program.

1. Students report to the Extended Care staff person immediately upon arrival in the morning and immediately after school dismissal in the afternoon. The Extended Care staff is not responsible for students who do not report after school.
2. Students may not leave the playground and must stay within the fenced area. If weather does not permit outdoor play, students will be in the cafeteria.
3. Students must have the permission of the staff person to re-enter the school once they are outside. The staff must know where the children are at all times.
4. All students will be signed in at the cafeteria and must be signed out by someone listed on their emergency contact card. If other arrangements have to be made for pick-up, please send a note with your child to school or call the school to let the staff know who will be picking your child up. That person will be required to show a picture I.D.
5. All students will be expected to respect the staff and each other, as well as the materials and environment provided. Students who do not adhere to the rules may be placed in time out. Length of discipline will depend upon the student's age and behavior. Second offense of same behavior will result in a parent/director meeting and third offense of same behavior will result in a parent/principal meeting to discuss student remaining in the program.
6. No electronics are allowed in the Extended Care Program, to include cell phones. Please see school electronic policy.
7. Students not picked up by 6:00PM will accrue a fee.
8. Students may order breakfast in Extended Care. Please see our Cafeteria information.

Only approved persons are allowed to pick up students. This is the only time that parents may enter the school campus through the PLC. All students must follow the rules and procedures of our after school program. More information can be found in the Extended Care Information sent home in the Welcome Packet.

## **HEALTH**

Saint Mary Catholic School encourages student health and fitness to promote a safe and healthy school environment. All students enrolled in Saint Mary Catholic School must have a Florida Physical Examination on file with the school and a Florida Certificate of Immunization for polio, measles, DPT, hepatitis, mumps, and rubella. Enrollment is not possible unless both are on file.

Students complaining of a minor headache or stomachache are allowed to rest in the classroom. Students are not allowed to "rest" in the office. If a student is not well enough to remain in the classroom, the parents are called to pick up the student. Minor scrapes are handled in the classroom. All classrooms have a first aid kit.

Parents/guardians are contacted immediately for information and instructions in case of serious illness or accidents. If the parents/guardians are not available, the Emergency Form is consulted for directions. If no responsible person can be reached, and an illness or injury is serious enough

to require medical attention, the administrator in charge will arrange for the student to receive appropriate emergency or hospital care.

Illness covering five days or more requires an excuse by a doctor. A doctor's statement permitting the student to return to school is required for any contagious disease. Students should be fever-free without medication for 24 hours before returning to school. Students should be 24 hours clear of any vomiting or diarrhea before returning to school.

## **MEDICATION**

No medication of any kind will be dispensed at school, or at a school-sponsored event, without written permission from the parent or guardian.

### **MEDICATION GUIDELINES**

When a written request is presented by the parent:

Should it be necessary for a child to receive prescription or non-prescription medicines during the school day, the following regulations shall apply:

- A written consent form signed by the parent or legal guardian must be in the office before any medication can be dispensed, non-prescription and/or prescription. (Verbal permission will not be accepted.)
- Prescription medication must be in the original container and have the pharmacy label indicating the physician's name, child's name, and strength of the medication.
- Medication shall be given to the child listed on the label only and will be given in accordance with the label instructions.
- The only non-prescription medications that can be dispensed are Tylenol (acetaminophen), Motrin (Ibuprofen) and Benadryl and must have a signed medical form on file.
- The dosage for non-prescription medicine shall not exceed the label instructions, unless prescribed by a physician, for the particular age of the child.
- No child will be allowed to take medicine without supervision.
- Children will not be allowed to have in their possession ANY medications. Rescue medications such as inhalers for asthma, epipens for severe allergies, and glucose medication for Type 1 diabetics as prescribed by a physician will be kept in an emergency bag that will travel with the child's class for ease of access in the event the child is in acute need.

Parents will need to provide the prescription medication to be left at school. Medication will not travel back and forth from school to home with the child. Parent must put the request for this into writing accompanied by a doctor's note illustrating the need.

The parent must supply all medication. All medication left in the school office at the end of the school year will be destroyed.

It is the parent's responsibility to apprise the teacher and office personnel of any medication a child is taking.

**NOTE: According to Diocesan and County policy, the school will not dispense prescription medication unless the signed authorization to dispense prescription medication form is on file in the school office. These forms are available from the Office Manager at the office.**

#### **MEDICAL EMERGENCIES**

Parents are called for all medical emergencies and are encouraged to take the child to a doctor or hospital for immediate help. If necessary, emergency personnel (911) are called before parents are notified. If a child is injured, parents will be notified according to the numbers listed on the Emergency Cards kept on file in the office. It is absolutely essential that contact information is kept current in the office.

#### **ACCIDENTS**

In cases of minor abrasions, the injury will be washed with soap and water. For other minor injuries, ice may be applied. In cases of more serious mishaps, children will be taken to the office and parents will be notified. School law prohibits the use of first aid equipment and medicine given orally.

#### **STUDENT ACCIDENT INSURANCE**

The Diocese of Pensacola-Tallahassee provides accident coverage to school students while they are in school or participating in school sponsored events, including sports. Payments are made on an excess basis, which means the parents first file the medical expense claim with their insurer, and then the diocesan policy can provide payment for the deductible or co-pay. If the family does not have medical insurance, the diocesan policy will reimburse the medical expenses (on a primary basis) subject to the terms and conditions of the coverage.

#### **MEDIA CENTER**

The Saint Mary Catholic School Media Center is comprised of the Monsignor Cunningham Library and the Josephine Gerlach Computer Lab. Students, faculty and employees have, and will continue to have, a safe environment in which to learn, teach, and work.

## **WEAPONS POLICY**

Students are prohibited from bringing weapons or look-alikes to school and school-sponsored activities or having weapons in school or at school-sponsored activities, on the school premises, or in the immediate vicinity of the school. State law requires the reporting of possession of a "dangerous weapon" to the local law enforcement agency. "Dangerous weapon" includes a firearm, dagger, dirk, stiletto, and any knife with a blade over 3 inches long, pocketknife opened by mechanical device, iron bar, or brass knuckles.

#### Definitions

Any student discovered to be, or suspected of, carrying, possessing, concealing, or transferring a weapon on school premises or in the immediate vicinity of the school shall be immediately excluded from classes pending investigation.

A search can be conducted to verify the suspicion or clarify the discovery. It may include without prior warning an inspection and search of a student's person, pockets (the student empties his/her own pockets), book bags, purse, lunch bag, automobile, etc. Questioning of the same purpose may include questioning by the principal, a member of the administrative team, a school teacher, the pastor, or a person acting in the place of any of these. When a body search is conducted, it shall be in the principal's or pastor's office or other appropriate place. A person of the same sex will conduct the search of the student. If a student refuses to cooperate or interferes with a search of a person or possessions or premises, she/he will be warned that refusal to cooperate without legitimate reason will result in disciplinary action, up to and including expulsion from school. Depending on the nature of the weapon, the local police department shall be notified immediately.

If possible, a student will be detained whenever the school has reason to suspect a student may have a weapon or when a weapon is present on school premises. Any student found to be in violation of the school's weapons' policy is subject to disciplinary action up to and including expulsion. The principal may exercise the option to both keep non-school persons out of the school and/or retain students in the school until police have completed their investigation. Any student determined to have brought a firearm to school will be expelled. The term "firearm" means:

- any weapon including a starter gun which will or is designed to or may readily be converted to expel a projectile by the action of an explosive;
