

May 2020

Dear Parents and Students,

Happy end of the year! Thank you for all of your hard work and dedication this year, especially the last quarter. Everyone has earned a relaxing summer break. Fifteen minutes a day will make the fourth grade transition much easier. Please continue to read and practice your multiplication facts daily.

Check out our Saint Mary Class Homepage for websites and resources to keep the brain engaged throughout the summer. Workbooks and notebooks are helpful resources to continue working on.
