Child Receives Sacrament

SACRAMENTAL PREPARATION DATES & INFORMATION

IMPORTANT:

This program complements, but does **NOT** replace your child's participation at Sunday Mass with your family. We strongly encourage your family to attend Mass. If you are not able to join us in-person during the pandemic when Sunday Mass obligation is dispensed, then please join us by live stream at www.saintmary.life

During your child's sacramental year, he or she is **required** to complete the online sessions with "Signs of Grace"—an Augustine Institute online First Reconciliation and First Communion class platform. You must register for sacramental preparation on Saint Mary's website first, pay the \$65.00 registration fee which is the cost for First Reconciliation & First Communion courses, then you will be emailed the parish code to access the courses online.
