Check out our class homepage!

<https://www.saintmaryschool.net/grade-3-brandt>

**Our Welcome Letter and the Reading Program guidelines are all available on our class homepage.**

**Please visit before September 1st**

- Our SMS website is an excellent tool to keep you informed of what is going on in the third grade. Be sure to visit our class homepage regularly for weekly tests, helpful documents, curriculum links, and upcoming events. I will also email you with reminders and when I have updated our website and Power School as well.
- Please label all clothing, backpacks, lunchboxes, and water bottles.
- Each Friday, a folder will be sent home with completed and graded school work, along with school notes and information for you to look through with your child. Please sign and return their "Friday Folder" each Monday.
- If your child's mode of transportation changes on a given day, please call the office before 2:00 to provide any changes or send a note to me in the morning.
- Our lunch time is 11:50 so feel free to send in a non-messy, healthy snack with your child. No drinks please, only water bottles. We will have a "working" snack time each day.
- Birthday treats are welcome in our classroom. With Covid restrictions, only store-bought treats are allowed. In addition, our class has a student with Type 1 diabetes. I ask that you please inform me in advance what and when you plan on sending in treats. Make sure there is a nutritional label on it as well, thank you for your help.
