Title I Reading Resources for Parents and Students

Reading Enrichment

Summer is a time to play, explore, and recharge, but also requires a balance of academic maintenance and growth. It is essential to keep kids engaged in learning throughout the break. This flyer shares supplemental activities including apps, websites, and podcasts you can explore with your child. Students can listen to higher level books to enhance their fluency, vocabulary, and comprehension. Do not feel like you need to purchase apps. Some have a free trial to check out. If you have any questions, feel free to reach out for additional support.

Helpful Apps

- Epic!
- Teach Monster
- Nessy
- Lively Letters
- MobyMax

Audio/Digital Books

- [Epic!](#)
- [Overdrive/Libby](#)
