EXTENDED CARE RULES

1. Students must report to the Extended Care Staff immediately after school is dismissed. Teachers of small children will escort students to Extended Care. The Extended Care Program is not responsible for students who do not report after school.
2. When students are on the playground, they must stay within the fenced area. If weather does not allow outside activities, students will be in the cafeteria.
3. Students must have permission of the staff to re-enter the school once they are outside. The staff needs to know where the children are at all times.
4. All students will be signed in at the cafeteria and **must** be signed out by someone listed on their record card. If other arrangements have to be made for pick up, please notify the school to let the staff know who will be picking up your child. That person will be required to show a picture I.D.
5. All students will be expected to respect the staff and each other as well as the material and environment provided. Student offenses will be handled on an individual basis.

Children who cannot follow the rules of the Extended Care Program will be removed from the program.
